Ottawa 30th June, 1909.

Sir,

In reply to your letter of the 17th instant, regarding the refund of \$16.36 which you have been asked to make, consequent upon an over-payment of salary to you previous to your election as member of Parliament, which amount you state you desire to have applied towards settlement of an account of long standing which you state you have against the Department, I beg to say that it would be much more satisfactory if you would make refund of the amount above stated. You can at the same time submit your account (giving full information) regarding the services for which you claim payment, and it will upon receipt be given careful consideration.

Your obedient servant.

Secretary.
