GRAVE DANGER
 Observes Dr. Slocum, if a cold is allowed to run, La Grippe, Pneumonia, or Bronchitis is sure to follow if "Psychine" is not taken to prevent its progress.
 Don't experiment with cheap cough mixtures or like decoctions, which at best can only temporarily relieve, until you are forced to your bed from which you will arise feeling no more easy victim for consumption. This is the second year when people are started on the rapid road to the consumptive's grave, declares the eminent Lung Specialist.

PSYCHINE
 (PRONOUNCED SI-KEEN)

will rid the system of all tuberculosis poison and build up weak and wasted bodies with healthy tissue. "Psychine" is a tonic and it creates strength, gives you a ravenous appetite and produces healthy flesh.
 In cases of obstinate coughs, pains in the lungs, sore throat, headache, pains in the limbs, extreme weakness, you cannot afford to do without "Psychine." It is prepared expressly for all diseases of the lungs and bronchial tubes, and if you have the least sign of a cough, sudden chill, shivering, cold feet or depression, procure "Psychine" from your druggist.
 If your druggist hasn't "Psychine" in stock, write Dr. T. A. Slocum, Limited, 179 King Street West, Toronto, Canada, and a sample bottle will be sent you promptly.

Cupid and the Recruits.
 "Cupid is one of the best recruiting officers that Uncle Sam has," confided one of the sergeants attached to the recruiting headquarters. "Back of nearly every enlistment there is a woman in the case. Lovers quarrels chase a lot of fine lads into the service. Your romantic youth gravitates to the recruiting office after a serious break with his sweetheart as naturally as a duck takes to water. It seems to him the most fitting way in which to sacrifice himself when love's young dream is apparently dispelled. Way down in his heart he nurses the idea of making his erstwhile innamorata sad, and it's the army or navy, with the possibility of death in battle, for him. Again, other first class material is recruited by the desire of young fellows to sport a uniform before their girls. In such cases Cupid does his recruiting through vanity. But in both ways he manages to fill up big gaps in the ranks of Uncle Sam's fighters."

The man who sings well gives most of his attention to the women in an audience.

DR. S. GOLDBERG.

CURE NERVOUS DEBILITY, VARIOUS STRICTURES, EARLY DECAY AND WASTE OF POWER, BLOOD AND SKIN DISEASES, AND ALL CHRONIC TROUBLES

Consultation Free. All dealings strictly confidential. All inquiries for Canadian patients sent from Windsor, Ont., all duty and transportation charges prepaid.

DR. GOLDBERG, 208 Woodward Avenue, Suite 211 DETROIT, MICH.

Ever since leaving Detroit many years ago, I have frequently called attention to the fact that while some specialists advertise 25 or more years' experience, they do so for advertising purposes in order to mislead the public; the founders of these institutes are dead; while the present owners could buy the furniture and the right to practice under the old name, they could not buy their predecessors' brains.

How many of you have paid your hard-earned dollars to these concerns with the expectation of receiving services from specialists who have 25 or more years' experience, but when you called at their offices you were treated by some other doctor than whose picture you saw in the paper? And how many of you saw the same doctor more than once, but each time a different one? Remember, I am doing business on my own reputation and each time you call you see me personally.

NERVOUS DEBILITY
 The Latest Method Treatment is a heaven-sent boon to nervous sufferers. There are scores and hundreds of persons suffering from severe nervous disorders resulting from overwork, hurry, worry, business and domestic cares, nervousness, loss of sleep, loss of memory, mental depression, strange sensations, weakness, trembling, heart palpitation, cold limbs, after fatigue and exhaustion. In this class of cases almost immediate relief is afforded by my treatment. The use of narcotics and poisonous, stupefying drugs is done away with, and permanent cure accomplished.

BLOOD POISON
 If you have traces of it you are in constant danger until cured; you cannot tell how soon the poison will affect the organs of the body; have you sore throat, ulcers in the mouth or tongue, copper colored patches, sores breaking out, sore bones, hair falling out, itching skin, etc. Call and see me as I give you a written guarantee to cure you by my LATEST METHOD TREATMENT, without mercury or potassium, and remember:

not one penny need be paid until you are cured.
