

## Cameo Jewellery

In 14-kt. Gold Mountings

THE cameo has always been a very popular stone and this season our designers and artisans have excelled all former efforts in the beautiful forms which make up this page.

No. C217516 is a particularly handsome creation and, considering the quality, is decidedly reasonable.

We have a large stock of these genuine Italian cameos, and should you desire to select an unset stone and have it mounted in some special design we will gladly act as your counsellors and have the work done in our own factory.
