
GEO. H. BRADFORD
PRINTER
AND
PUBLISHER,

GAZETTE JOB ROOMS,
SHERBROOKE, P. Q.

Those in want of anything in the line of Printing will do well to seek for prices at this establishment, and thus save the time and bother of going elsewhere. No need to go elsewhere, because this office is as well equipped with type of every description, including the latest styles, as any other printing house in the Dominion. Besides this, additions are constantly being made as new designs are put on the market by the leading type foundries of this and other countries. This large plant of type, etc., is supplemented by

EIGHT STEAM PRESSES

Including one of the celebrated Kيدر Automatic Job Printing Machines (the only one in the Province of Quebec) enabling this office to turn out work at the lowest possible cost.

One trial will convince you.
