W. ASHTON & Co.

3, MOUNTAIN STREET, NEXT DOOR TO PRESCOTT GATE,

HAVE MANUFACTURED throughout the summer, and now offer for sale a stock of

LADIES' & GENTLEMEN'S FURS,

Their having for some years past secured, during the summer season, probably the best Hat Trade in the Province, enables them to undersell any house depending on the winter trade for twelve months' support; this, together with the advantages they have over every other furriers in this city by importing their own materials direct, are the only hints they think necessary to drop.

All description of Furs made to order, and returnible if not approved of.

In repairing any article, or altering it to the present fashion, W. A. & Co. pledge themselves that their charges will be on the most moderate scale, and will forfeit the value of any article when promised to be done at a certain time, in which there may be a single hour's want of PUNCTUALITY.

HEADACHE.

DR. E. SPOHN, a German physician of many notes, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEADACHE, has the satisfaction to make known, that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and labouring under distress which they might not only alleviate, but actually eradicate by the use of his remedy. It is the result of scientific research, and is entirely of a different character from advertised patent medicine, and is not unpleasant to the taste. To be had of

MORISON'S UNIVERSAL MEDICINE.

NOTICE.

THE Subscribers, general agents for Morison's Pills, have appointed William Whitaker, Sub-Agent for the Upper Town, No. 27, St. John Street.

LEGGE & CO.

That the public may be able to form some idea of Morison's Pills by their great consumption, the following calculation was made by Mr. Wing, Clerk to the Stamp Office, Somerset House, in a period of six years, part only of the time that Morison's Pills have been before the public, the number of stamps delivered for that medicine amounted to three million, nine hundred and one thousand.

The object in placing the foregoing powerful argument in favour of Mr. Morison's system, and to which the public attention is directed, namely, that it was only by trying an innocuous purgative medicine in such an extent that the truth of the Hygeian system could possibly have been established. It is clear that all the medical men in England, or the world, put together, have not tried a system of vegetable purgation to the extent and in manner prescribed by the Hygeists. How, therefore, can they (much less individually) know any thing about the extent of its properties.

VICTORIA HOUSE.

(RUE SOUS-LE-FORT—QUEBEC.)

GEORGE ARNOLD, PROPRIETOR,

IS now open for the reception of visitors. The situation and accommodation of the premises combine advantages unequalled by any similar establishment in Quebec, and unsurpassed in the Canadas. The arrangements have been made under the immediate superintendance of the proprietor, and as the business will be conducted by himself personally, every attention will be ensured to those who may favour him with their visits. To those gentlemen in particular who are connected with the business of the port, the situation of the premises, in the direct vicinity of the Steam-Boat Wharves, and Custom House, offers great advantages; and to the public in general, the arrangements of the establishment are such as to present every convenience. On the ground floor are an extensive, Saloon and Reading Room. On the first floor are two spacious rooms, which by means of folding doors between, may, whenever required, be converted into one magnificent apartment of 70 feet by 32 feet, and 15 feet high; a dimension which renders it a most eligible place for meetings, &c. The numerous apartments contained in the three upper stories are fitted up for the accommodation of families and individuals. A spacious gallery on the roof commands a splendid view of the harbour of Quebec and the surrounding country.

The Wines and other liquors of the establishment will be of the first order; refreshments of all kinds may be had throughout the day; and it will be the study of the proprietor in providing for his guests to combine moderate charges, and superior accommodation.

GEO. ARNOLD.

Quebec, 23d June, 1838.

NOTE.—Lumber Merchants and others connected with that branch of commerce, will meet with every accommodation and attention, at the above establishment, the proprietor having for many years past had an extensive acquaintance with parties in that line, from the Upper Province and the United States.
