RESULTS never equaled by any other Company at the Same Age

- 1st Because it invests the premiums to better advantage than any other Company can;
- 2nd Because, while charging much lower premiums it is paying this year to participating policyholders over 30 p.c. more profits than is being paid this year by the oldest and largest Eastern Companies;
- 3rd Because those insuring now are more interested in present and future results than in what has been;
- 4th Because the GREAT-WEST was the first Canadian Company to adopt a higher standard of reserve:
- AND
- 5th Because it leads in everything that is to the interest of policyholders.
