

# You will not be inconvenienced by our fire

When war was declared we hung up the "Business as Usual" sign. That sign was burned in the fire which swept over our Fertilizer Plant last Saturday. But we have hung up another sign just like it—in another building that we secured before the flames of the old building had died out. Within another few hours we had arranged for the purchase of sufficient raw materials—including Potash—to commence at once the replacement of the Fertilizer stock that was destroyed.

So the farmers of Canada will not suffer the slightest inconvenience from the misfortune that befell us. Shipments can be made almost immediately. And it will be the same superior Fertilizer that the name GUNN'S has always stood for. Fortunately our resources and organization are so strong that although we may suffer some temporary inconvenience—and even monetary loss—in contracting this setback, we are able to make this promise—

**"Business as Usual" and Quality as usual, in spite of the fire**

**GUNNS LIMITED, WEST TORONTO**

Sigis Pieterko, No. 19752, whose record for seven days is \$6.49 lbs. fat from 62.4 lbs. milk. Under re-set and with a second superior penit, she produced above five lbs. an exactly twenty-four hours—Malcolm H. Gardner, Supt. A. E.

### A GURNESEY MAKES A NEW WORLD'S RECORD

Marna Cowan, pure-bred Gurnesey cow owned by the Annandale Farm, Burlington, Ont., has just completed a yearly record of 54,000 lbs. of milk containing 1,096 lbs. of fat. The world's record now held by May Billea, another Gurnesey cow, is thus exceeded by about 25 lbs. of milk. Her monthly record is 4,500 lbs. of milk, and in seven days she produced 562.8 lbs. of milk containing 24.6 lbs. of fat. Her monthly record is 2,561.5 lbs. of milk and 202.3 lbs. of fat, which compared her record on February 17th, and on that date produced 54.3 lbs. of milk.

Marna Cowan was stopped May 17th, 1905, and is therefore 10 years old. She was seven months gone with calf. It is claimed, when she finished her record.

### THE CHERRY CROFT FARM SALE

The sale of pure-bred and high-grade Holstein cattle by James Tonson, Scarborough Jet., Ont., on March 12th, brought fair prices. The total receipts from the sale were \$17,400. The average price for the six pure-breds being \$177 and for the 10 mixed \$92. The following were recorded as follows: Hillcrest Pontiac Madrial, \$100; Wm. Lovell, Ellsworth; Duchess B. Col. Mercedes, \$175; St. Augustine Benjamin, Scarborough Jet.; Margie Roosevelt, \$150; St. Augustin Joseph; Cornucopia, Malda, \$100; Wm. Lorneless; Mercedes Black Ered Swan, \$170; Wm. James; Newtonbrook, Chertrovet, Topsy, \$100; Wm. James.

### THE WALNUT LANE HERD SALE

The sale of pure-bred Holstein cattle, also horns, shagb, pigs and lamplights, by C. W. Challant, R. R. No. 6, Simcoe, Ont., was very successful. Between 500 and 600 people gathered, and in three hours the sales had amounted to \$3,615.77. Not a cent of the money was sold before the hour of sale, and not one dollar's worth was bought in. All parts of the surrounding country were well represented in the crowd present. A span of matched Bencherons went to the Dominion Express Company, Chatham, for \$425. Good prices were received for the Holstein cattle, some of the best prices realized being as follows: Leeds Eas, \$150; Will Badd, Simcoe; Leola Jet \$50; W. J. Rieger, Jarvis; Loria Arlo, \$155; T. Mann, Aylmer; Leola \$200; Chase Bess, Jarvis; Marbury Princess, \$125; J. J. Parsons, Jarvis; Bessie Arlo Colantha, \$125; John Obe, Neust.

coke; Heids Colantha, \$100; Falls Bros., Jarvis; Bess Colantha \$110; J. J. Parsons; Polyzona Colantha, \$150; H. Beagh, Cornwall; Leola Colantha, \$100; McConkey, Strathville; Neota Colantha, \$112.50; Merritt Andrews, Simcoe.

### THE McMILLAN AND LEGGAT SALE

The complete yearling stock of the McMillan and Leggat, Trout River, Que., will offer to Canadian Ayrshire farmers, one of the richest opportunities that has ever been given them of adding high-class individuals to their herds. The yearling foundation stock of the first order, McMillan and Leggat, both of whom are stock raisers of wide experience, have established a herd that will hold its own with the best sires in the new ring or at the stall. They have kept strictly away from the short-leaved, light-colored Scotch show type Ayrshire, in its place they have developed something equally straight and sweet, but a little larger, a little opener in build, and with excellent udders and teats; in short, the ideal Ayrshire dairy cow.

Their offering comprises 50 head, as everything is being sold to the dissolution of the firm; of the herd, 20 are of a milking age, and only three of them over two years of age, and three between seven and nine, so will therefore be of the best. The average price for the female of an age that make the most profitable buying is \$100. Details and a post card will bring the catalogue promptly, and it is of course, a matter of a revelation on Ayrshire pedigrees.

Some of their sires of 10 head are imported and Canadian bred Ayrshires that are show ring champions and have good show type Ayrshire in R. O. P. work. Every animal is tuberculin tested. As this is a partnership, every animal must be sold. Official records may be had on application to McMillan and Leggat, Trout River, Que.
