the Engine that Lasts A Lifetime

Farm help will be scarce in Ontario next season, and it essential that we keep production up to the maximum. More of our farm work must be done by machinery. The farmer who realizes this and equips this farm with efficient power machinery is true to his own best interests and patriotic to his country.

THE high cost of gasoline is making even the gasoline sprine a GUD CUREALY EXPRINE. This great success is due to our special Carburstor and
