## CANADIAN CONTRACT RECORD

## **AUSTIN CRUSHERS**

AUSTIN GYRATORY CRUSHER

STONE CRUSHING PLANTS COMPLETE WITH ELEVA-TORS, SCREENS, ETC....

## THE PRODUCT OF

- 1. Years of experience in the manufacture of stone and ore crushers—both Gyratory and Jaw Type.
- 2. The application of modern methods and principles of construction, resulting in an up-to-date machine.

Mechanically correct in every detail.

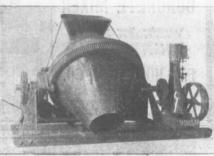

- Capable of crushing stone as fast as it can be fed.
- Capable of crushing exceptionally hard material without difficulty, as many users testify.

Send for Plans and Specifications
