THE OXFORD HEND OF REGISTERED POLAND CHINAS

Our herd won all the sweepstakes
 diplomas and herd prizes, and 22
 out of 26 first prizes, at the three
 largest fairs in Canada, in 1894. Our
 herd is headed by Darkness Quality
 the winner of the first prize in his
 class, over 41 entries, at the World's
 Fair, in Chicago, in 1893. Our stock
 is large in size, and fine in quality,
 and are well adapted for the Canadian trade.

BUCHANAN'S FLEXIBLE SPRING STEEL PICKET WIRE FENCE.

 This Fence, as shown in above cut, is very handsome, strong
 and durable, should last a life-time and will turn any kind of
 stock. Is so constructed that it will remain tight and straight
 in all kinds of weather, a feature which no other maker has suc-
 cessfully accomplished. It is perfectly flexible and cannot be
 bent or kinked out of shape, and will stand more abuse or
 rough usage than any other fence in the market. It is our aim
 to place this fence on the market at a less price than any first-
 class fence has ever been sold at. Send for circulars giving
 full description and prices to M. T. BUCHANAN, Inger-
 soll, Ont., Manufacturer Wire Fence, Hay Carriers, Hay
 Forks, and a full line of Hay and Grain Unloading Tools.
 AGENTS WANTED.

THE CHEAPEST AS WELL AS THE BEST.
 It is the aim of every farmer to put up the cheapest fence which he can de-
 pend upon as being stock proof.
 Unless his fence is stock proof he is better off with no fence at all.
 The Page Fence is generally recognized as the best and cheapest stock
 proof fence, BECAUSE
 It needs less posts than any other fence.
 Thirty-three feet apart is the accepted distance for posts for Page Fence. It may be
 stated as a rule that the Page requires half as many posts as do other good wire fences,
 and one quarter as many as a board fence. The coiled spring keeps the Page from
 sagging.
 It can be put up more easily and quickly than any other.
 The Page is shipped from the factory ready woven, and can be rapidly stretched on
 the posts.
 It contains the most wires and the strongest for the money.
 Our standard farm fence has eleven horizontal wires with cross-wires every foot.
 We use the best steel wire, which is twice as strong as ordinary wire of the same size.
 YOU CAN PROVE IT WITHOUT EXPENSE.
 We want every farmer to know that the Page is the best, and therefore will
 let any reliable farmer test the fence on his posts before paying for it.
 In most townships there is some farmer dealing in Page Fence who will be glad to
 do this, as well as to show fence already in use. Where there is no one selling Page
 we will ship a roll from the factory on receipt of good references.
 To any one asking we will send the last six numbers of our illustrated
 monthly paper, containing several fine pictures.
