 THOM'S IMPLEMENT WORKS, WATFORD, ONT.:
 GENTLEMEN:—I have much pleasure in informing you that the Blower we purchased from you has done, and is doing, excellent work. We were able to fill our silos with the corn just cut, and even when it was wet with dew or rain. We put through in some instances as high as 13 tons per hour. I may say that we are using it now for cutting the straw behind the thrasher, and find it most useful in this connection.
 Yours truly,
 J. H. GRINDALE, Agriculturist.

Won't Injure the Polish

The only drawback with some cleaners is that you can't trust them for fine work.

"Sobrite" will not scratch anything. It cleans and polishes, but cannot scratch. Whether it's polished woodwork, a silver teapot, or the kitchen sink, it cleanses, purifies and sweetens. It is the best cleaner, because it does its work best. At all grocers.
