LIVE STOCK.

Export Cattle—The feature of the market has been the shortness of the supply of good to choice cattle. Choice, \$4.50 to \$4.75; good to medium, \$4.20 to \$4.40; others, \$2 to \$4.30; pulls and cows, \$3 to \$4.

Butchers' Cattle—The condition in this line corresponds with that in export cattle; far too many poor cattle offering, with the run of good stock light. Picked cattle are quoted at \$4.20 to \$4.50, good to choice at \$4 to \$4.20, fair at \$3.50 to \$4, common at \$2.50 to \$3.25, and cows at \$2.50 to \$3.50.

Stockers and Feeders—There is some inquiry for stockers of a nice class, and dealers say there will be some demand for light stock bulls of about 900 lbs. upwards.

Milch Cows—\$30 to \$50 each.

Calves—Fairly steady, 3½c. to 5½c. per pound, and \$2 to \$10 each.

Sheep and Lambs—Export sheep have an easier tone, at \$3 to \$4.15 per cwt., and culls are unchanged at \$3 to \$4. Spring lambs are easier, at \$5 to \$5.50 each.

Hogs—The market is quoted firm, at a further advance of 25c. cwt.; \$7.25 per cwt. for selects, and \$7 for lights and fats.

BREADSTUFFS.

Wheat—Ontario—Reports pronounce the Ontario new crop as of excellent quality. This has had the effect of bringing the prices of old and new No. 2 red and white closer together. Some sales of new are reported at 76½c., but the general price is 75c. to 76c., with old at 77c. to 78c. Goose and spring are dull, at 72c. to 78c., all quotations at outside points.

Wheat—Manitoba—No. 1 northern is nominal, at \$1.06; No. 2 northern is scarce, at \$1.02 to \$1.03, and No. 3 87c. to 88c., lake ports.

Millfeed—Ontario bran, dull, at \$11.50 to \$12; shorts firm, at \$17 to \$19, according to quality. These quotations are at outside points. Manitoba bran, \$16, and shorts, \$19, at Toronto and equal points.

Oats—General price for the new crop at outside points is 31c. to 32c. Old oats, No. 2, are quoted at 37c. to 38c., outside.

Barley—New or old, 40c. to 44c., outside, according to quality.

Corn—Canadian, nominal, at 53c. to 54c., Chatham freights. American is firm, at 61½c., Toronto, or 62½c. to 63c., lake and rail freights, for delivery at country points.

Peas—Firm, 73c. to 75c. bid for No. 2, outside.

COUNTRY PRODUCE.

Butter—The demand for all kinds is active, and prices firm in tone.

Creamery, prints 21c. to 22c.

Dairy, lb. rolls, good to choice 17c. to 18½c.

Eggs—Firm. The quality of receipts continues very much mixed, and the shrinkage large; 17½c. to 18½c.

Potatoes—Steady to easy, at 60c. to 75c. per bushel.

Baled Hay—The market is dull. Car lots on track here are quoted at \$7.50 per ton for old and new No. 1 timothy, and \$6 for No. 2.

Honey—Is coming forward more freely. Quotations, \$1.50 per dozen for combs, and 6½c. to 7c. for strained.

HORSE MARKET.

The local horse market has reflected further activity the past week, and as compared with previous seasons, trade is remarkably buoyant, and in much larger volume than anything ever before experienced by dealers. The heavy commercial classes are having the call at the moment, and the general-purpose horse is also much sought after. The market for lighter horses is temporarily slow and draggy. The lumber camps are taking quite a number of animals, and have paid up to \$475 for a pair this week, and from \$150 to \$200 for single horses. A couple of carloads of chunks have also been shipped out for railway construction work. Mr. Burns, of the Repository, also reports a sale of a pair of work horses of fancy quality, at \$565. The transactions have, on the whole, been most satisfactory, and dealers are inclined to look for a continuance of market activity, and a maintenance of very firm prices for anything of quality.

Burns and Sheppard report prevailing prices as follows:

Single drivers, 15 to 16 hands	\$125 to \$170
Single cobs and carriage horses, 15 to 16.1 hands	150 to 225
Matched pairs and carriage horses, 15 to 16.1 hands	350 to 500
Delivery horses, 1,100 to 1,200 pounds	125 to 170
General-purpose and express horses, 1,200 to 1,350 lbs.	160 to 200
Draft horses, 1,350 to 1,750 pounds	175 to 225
Serviceable second-hand workers	50 to 80
Serviceable second-hand drivers	60 to 100

The weekly report of the Canadian Horse Exchange, Jarvis Street, is as follows:

Single roadsters, 15 to 16 hands	\$125 to \$200
Cobs and carriage horses, 15 to 16 hands	150 to 225
Matched pairs, cobs and carriage horses, 15 to 16.1 hands	300 to 700

Draft horses, 1,350 to 1,750 pounds	150 to 225

Second-hand drivers	60 to 110

British Cattle Market.

London.—Cattle are quoted at 11c. to 11½c. per pound; refrigerator beef, 8½c. to 8½c. per pound.

Montreal.

Butter—Since last quotations, there has been a rather sharp decline, and it is impossible to say whether it is yet over or not. Fancy Townships creamery, 22½c.; choice, 22½c., and fine, 21½c. Dairies are quoted at 18c.

Cheese—Cheese, like butter, is somewhat easier. Quebec, 10½c. to 10½c.; Townships, 10½c. to 10½c., and Ontarios, 11c., some holders of the latter holding out for 11½c., or even 11½c. Late shipments from Montreal have considerably exceeded those of a year ago.

Eggs—Straight-gathered about 15c. to 16c., f. o. b., country points, and 17c. to 17½c. in the city. No. 1 candled stock sells at 18c. to 18½c., and selects at 20c. to 22c., according to quality. No. 2 stock is not in demand, and sells at 15c. to 16c.

Potatoes—Receipts liberal and quality fine. Purchases have been made on the farmers' market at 45c., and as low as 40c.

Honey—New, light strained, in 60-pound tins, has sold at 8c., and pound selections of new white comb, 18c. to 14c. This price for comb is considered low for the time of year.

Beans—Prospect of rather a poor crop in Ontario. Prime pea beans, \$1.65 to \$1.70 per bushel.

Live Stock—Demand for ocean space has almost dropped off. Some September space has been taken, it is said, by Western shippers, at 45s. per head to Liverpool. The local market showed increased firmness in live hogs and increased weakness in cattle. Live hogs were offering in about the same quantity as usual, but the demand from packers was active, and the result of the rivalry was an advance. Selects sold at 7½c. to 7½c., some even demanding 7½c. Mixed stock ranged from 6½c. to 7c. Cattle were in large supply, there being a number held over from the last market day. These being offered had the effect of depressing prices about ½c., so that the bulk of the good stock only brought about 4c. The finest offered, which was not very fine, sold up to 4½c. Good butchers' stock ranged from 3½c. to 4c.; medium from 3c. to 3½c., and common from 2c. to 2½c. There has been some demand lately for young stock for feeding purposes. The price of these is around 3c. to a fraction lower. Sheep were in good demand, shippers paying 4c.; some fine animals selling at 3½c., and ordinary run from 3½c. to 3½c. Lambs brought from \$2 to \$4.50 each, and calves from \$2 to \$8 for the common to good, and up to \$12 for finest. Milch cows sold at \$30 to \$55 each.

Millfeed—The market is scarce of stock, and there is a very fair demand. Manitoba bran is quoted at \$16 to \$17 per ton, in bags, and shorts at \$19 to \$20.

Dressed Hogs—Steady and firm; fresh-killed abattoir, 9½c. to 10c.

Buffalo.

Hogs—Heavy and mixed, \$6.45 to \$6.50; Yorkers and pigs, \$6.50 to \$6.55; roughs, \$5.50 to \$5.75; stags, \$3.50 to \$4.75; dairies, \$6.20 to \$6.40; grassers, \$6 to \$6.40.

Sheep and Lambs—Active and steady; lambs, \$5.50 to \$7.50; yearlings, \$5.75 to \$6; wethers, \$5 to \$5.25; ewes, \$4.25 to \$4.50; sheep, mixed, \$2.50 to \$4.75.

Chicago.

Cattle—Good to prime steers, \$5.25 to \$6; poor to medium, \$3.80 to \$5; stockers and feeders, \$2.25 to \$4.25.

Sheep—Steady; good to choice wethers, \$4.70 to \$5; fair to choice mixed, \$4 to \$4.50; native lambs, \$5.85 to \$7.

Cheese Prices.

Cheese board quotations last week were: London, 10c. to 10 7-16c. offered; Ottawa, 10½c. to 10 5-16c.; Perth, 10½c. offered; Belleville, 11c. to 11 1-16c.; Brantford, 10½c. to 10½c.; Arthabaska Station, 10c.; Huntingdon, white cheese 10 5-16c., colored 10½c. to 10½c.; Napanee, 10½c.; Farnham, 10½c. to 10½c.; Iroquois, 10½c. offered; Kamptville, 10½c.; Brockville, 10½c.; Cornwall, 10½c.; Cowansville, 10½c. to 10 9-16c.; Alexandria, 10½c.; Canton, N.
