They contain no vexatious clauses, having been drafted to cover the **special conditions** met with in this Country. Gossip.

LAST CALL FOR J. MCKENZIE'S HOLSTEIN SALE.

In previous issues, a short mention was made of the high-class quality, breeding, and producing ability of the Holsteins to be sold at John McKenzie's sale, on Wednesday, March 12th. Ten of them are rising two years of age, and seven are rising one year. Opportunities are very few in this country for Canadian breeders to purchase by auction Holsteins carrying the blood of that wonderful sire, King Segis, but on this occasion there will be a number of his grandsons and granddaughters, a fact that should be remembered, as it will be likely to be a long time before such an opportunity again presents itself. Remember, stop 34, on the Metropolitan Electric line, running up Yonge street, Toronto, is at the farm gate.

SPRINGHURST SHORTHORNS.

The noted and popular Springhurst herd of Shorthorns, owned by Harry Smith, of Hay, Ont., when visited by the writer a few days ago, was found in the prime kind of condition, and up to a high standard of excellence, immensely thick of flesh, and covered with a great coat of hair. The herd, as a whole, is one of the very best in the Dominion, an assertion that is proved by their annual series of top winnings at the leading shows. It has been the writer's privilege to visit this herd annually for many years, and every year the thick, soggy, level-lined type, seems to be improved, and goes to prove that the old stock bull for so many years at the head of the herd, Gold Drop, was the peer, as a sire, of any bull this country has known, and more, that his wonderful prepotent powers as a sire is transmitted to his sons, for it was four sons of his that sired the four first-prize winners in the Shorthorn classes at the late Guelph show, besides scores of other winnings. There are now in the stables five grandsons of the old bull, from 12 to 24 months of age, and every one is a show bull of a high order. They are: Masterpiece, a roan two-year-old, sired by the thick, mellow, and remarkably-balanced stock bull, Ben Wyvis, a Cruickshank Butterfly-bred son of the great Gold Drop. This young bull is a full brother to the Toronto, Calgary and Edmonton junior champion, Mutineer, and is every whit as good a bull. Another roan of high-class show calibre, is the 18-months-old, Blarney Stone, sired by Mutineer, and out of Imp. Butterfly 36th. There are few bulls alive in his class his equal for superior type and quality. Batchelor is a red yearling, by Mutineer, dam a Cruickshank Buckingham. He, too, is one of the very thick, level kind, a high-class herd-header and show bull. Valuator is another red yearling, sired by Ben Wyvis, dam Van-ity 7th, by Imp. Royal Prince, an exceptionally choice young bull. Another red yearling is sired by Mutineer, and his dam is of the great old Diamond tribe. Any of these bulls can be bought by correspondence, and not be disappointed. In heifers, there are about a dozen from one to two years of age, a remarkably choice lot, among them being several London and Guelph winners. Mr. Smith is also offering for sale two Clydesdale fillies, one a yearling, the other a two-year-old, both out of Imp. Black Pride, the yearling sired by Imp. King Thomas, and the 2-year-old by Imp. Prince Romeo. They are a big, drafty pair, on the best of underpinning, and a right kind to make profitable brood mares.

ORMSBY GRANGE STOCK FARM, Ormstown, P. Que.

As I am feeding no steers this winter I have filled my stables with imported fillies, selected personally in Scotland; many in foal to such sires as Hiawatha, Sir Hugo, King's Champion, Sir Rudolph, etc. Fourteen have been sold, eighteen of the best are still on hand—the selections being made more on account of price than superiority. There are no culls in the lot. Send for pedigrees and particulars before buying elsewhere. Inspection invited. **D. McEACHRAN.**
