

No Excuse for any Cow Owner Being Without a DE LAVAL CREAM SEPARATOR

THERE is no reason why any cow owner who sells cream or makes butter should be without a separator, and there can be no excuse for his not having the BEST separator.

ANY creameryman or experienced dairyman will tell you that a good cream separator will give you a great deal more and a great deal better cream or butter than you can produce with any gravity setting system.

THE DE LAVAL is acknowledged by creamerymen and the best-posted dairy-men the world over to be the "WORLD'S STANDARD" and the one and only separator that always accomplishes the best results possible and always gives satisfaction.

YOU cannot make the excuse that you can't afford to buy a De Laval, because it not only will save its cost over any gravity setting in six months and any other separator in a year, but is sold either for cash or on such liberal terms that it will actually pay for itself.

WHY not start 1914 right in dairying? SEE and TRY a DE LAVAL NOW when you have plenty of time to investigate thoroughly. The nearest DE LAVAL agent will be glad to set up a machine for you and give you a free trial.
