As drawn up by a Committee and sanctioned by the Encampment. *Printed, etc.*, [comme plus haut] 1854. 16 + 8 pp. in-18.

De l'Introduction : " Many persons who wished well for the cause of total abstinence were convinced that outward display and parading ensures only ephemeral success, and that certain and lasting results might be more safely reckoned upon by a secret combination, conducted in a quiet way, and by precept and example, firmly, but mildly, to resist and discountenance all temptation and intemperance."
