CHAPTER OF ACCIDENTS.—Mr. Green, of Aylesford, Kings County, fell through the covering of the Railroad at Grove's Brook, on Sunday, and was drowned. The body was found, and an inquest held the next day, when a verdict of "Accidental Death" was returned.

Mr. Alex. Patterson, of Jordan Bay, Aylesford, while feeding cattle in his barn, on Monday last, met with a severe accident. He was stopping down to put some fodder in a box for a cow, when he fell from the ladder, and planted one of her horns in Mr. Patterson's eye. The eye was forced out of the socket, and lay upon his cheek.

Mr. Thomas Nichols, of the South Mountain, Aylesford, was last week proceeding with his team to the woods. From some cause his horse, a valuable one, took fright, and, after breaking the whip, and then the collar, became detached from the wagon, ran a considerable distance and then turned around and made for home.

Mr. C. F. Ireland, Lachute, P. E. I., says, "I am using your Pain Eradicator in my family, and find that it possesses a rare quality in a patent medicine—of being as good and even better than it is represented to be, it also possesses a very remarkable property, for which we prefer it to all others, that is, while relieving pain, it causes no smart or unpleasant sensation and is so gentle that it can be safely given to young children."

CURRENT NEWS.—Among the many advantages of the present day, is cheap reading, and none so cheap as the newspaper. As an instance of this we may mention that the proprietors of the CITIZEN furnish their weekly edition for \$1 in advance and it contains full particulars of news occurring from day to day, having more reading matter than any other city weekly. Its telegrams are always late and reliable, its correspondence rapid and readable, its editorials well written and sensible, its stories for the ladies well selected and interesting, its shipping and commercial intelligence correct and complete, its Ottawa Correspondence, and reports of the Local Legislature succinct and comprehensive. In fact, nothing is neglected, and yet the charge is only \$1 per annum. Letters to be addressed to the Manager, Citizen Publishing Company, Halifax, N. S.

TELEGRAPH NEWS.—NEW YORK, Dec. 2.—The ice is three inches thick in the Welland Canal, and eight propellers, with several other vessels, are frozen in. The prospect of their liberation is doubtful. Navigation is wholly or in part closed on the Hudson, on the Connecticut, and on the noboost rivers, and on Erie, Delaware, and Hudson canals.

Quebec advises report the river choked with ice, and great damage to shipping.—Many vessels were abandoned, and crews rescued in a frozen condition.

NEW YORK, Dec. 4.—No further particulars from smallpox epidemic in city. Two hundred and thirty deaths from smallpox occurred in Philadelphia last week, being an increase of eighty. Number of new cases 394.

NEW PAPERS have been given to the editor. LONDON, Dec. 3.—There was no unfavourable change in the condition of the Prince of Wales to-day, although the fever had not abated.

LONDON, Dec. 4.—Warwick castle has been nearly destroyed by fire. The Prince of Wales passed a restless and less tranquil night than usual, but the symptoms this morning show an amelioration of the disease.

EDITORIAL NOTES, &c.—We wish to call the special attention of all our Wesleyan friends in these Provinces to the following list of persons to whom contributions for the Wesleyan Book Room, 374 Argyle Street, Halifax, N. S.

payments should reach the office on or before that day. Persons wishing to become subscribers are requested to send their orders immediately. Orders may be given and payments made to any Wesleyan Minister belonging to the Conference.

We learn from Saturday Evening's Reporter, that our old friend, Geo. A. Lockhart, Esq., of St. John, N. B., died on the morning of that day. A suitable obituary of one who had been so long identified with the cause of Methodism in that city, will doubtless be furnished in due season for publication in our church organ.

Winter is now fairly upon us, and the teams are hastening to the lumber woods in various parts of the country. Our advice to every man who goes to the woods, be he captain, cook, teamster, or any other man, is to take along a good stock of "Johnson's Anodyne Liniment" and "Parson's Purgative Pills." Many months of labor (in the aggregate) may be saved by this precaution.

Bad enough to look and feel bad yourself; but no excuse for having your horse look and feel badly, when for a small sum you can buy "Squire's" Cavalry "Condition" Powders," which when given two or three times a week will make him look and feel well.
