

bushes, intending, when they grew larger, to transplant them into a wider space. But as we passed by, my eye fell on these little trees, and I noticed that one of them (and such a baby bush as it was too!) was covered with small green flowers, which would, by and-by, be currants.

"Just look at that tiny bush," I remarked to the children, "it is covered with currants. You see it's not too young to bear fruit, although it is so small, and in such an out-of-the-way corner. I think Jesus wants to show us that even little children may bear fruit wherever they are, don't you?"

The children had never noticed the bush, so we had ever such a nice talk about it, and now I pass the message on to you. Are you one of Jesus' little fruit-trees, planted in His garden, and rejoicing in the sunshine and rain He sends you? You cannot bear fruit for Jesus till you have received life from Jesus, that is, when you come to Him and ask Him to wash all your sins away and make you His child. I wonder if you have come? It is one thing to know all about Jesus, many know that, but it is quite another thing to know Him as your very own Saviour, as the One to Whom you belong.

THE MONEY'S THERE

ONE of the easiest and commonest ways of frittering away money is in the purchase of Soap.

It is a big mistake to imagine that because AN ARMFUL OF SOAP can be bought FOR 25c. that the investment is a good one. It is money wasted, because cheap Soaps are rank in quality, ruinous to the hands and clothes, and last no length of time.

How vastly different with "SUNLIGHT SOAP!" Though 25c. buys less in bulk, yet the value is there. It goes further, saves labor, fuel, washing powder, the clothes and skin; can be used for every purpose in the house, and will do what no other Soap can do. Hence it is really the cheapest in the end. A trial will convince you.
