The Grandeur

of a grand piano oft-times depends upon its mere appearance. The looks of a piano certainly does much to sell it, but we do not put all the merit in the case, although we feel that we have some of the most artistic cases ever shown in Canada.
We should like you to come in and hear the sweet tones of our pianos—especially a grand which we intended to exhibit at the Toronto Exhibition but were unable to finish in time. If you love music drop in warerooms, corner Church and Richmond Streets.
