

**"Sealshipt
Oysters"**
In Glass Jars

**Fresh from the Sea
to the Consumer**

For the Better Class Trade

Oysters are not a necessity and how often the consumer will purchase them depends entirely on the satisfaction experienced when eating them. A lower price will not compensate for inferiority in oysters.

"Sealshipt Oysters" in glass jars are packed to a standard and not to a price. They are put up the best we know how. Back of these goods is the strongest oyster organization in America. There is no worthy substitute for "Sealshipt Oysters" in glass jars. Refrigeration is absolutely necessary as these oysters are packed without any preservative. The price is \$6.50 for the 1 dozen case and \$12.50 for the 2 dozen case. On the matter of bulk stock it is the same stock as we pack in the glass jar. The Three wine gallon package, which is 2½ Imperial gallons, is \$12.30; the Five wine gallon package, which is 4 1/6 Imperial gallons, is \$20.00.

Do not overlook the advantages of obtaining your supply from an exclusive oyster house. We devote our entire time and ability to the one thing we know best.
