DISASTROUS FIRE AT KIN-MOUNT JOT

A disastrous fire occurred at Kinmount Junction on Friday afternoon at 3.30 o'clock when the C.N.R. station freightshed and section foreman Watson's residence was destroyed by fire. Quebec, July 23.—A young man Both structures burned with great rapidity. The freight shed was the first to catch fire and flames soon spread to the house. Nothing was saved but a sideboard. The fire is supposed to have been started by a spark from the engine of the Haliburton train proceeding north.

BOY DROWNED AT BEAVERTON

Beaverton, July 23.-Joe Passmore the only son of Mr. and Mrs. William Passmore, was drowned last Friday while bathing in Lake Simcoe. The body was removed from the water in a few minutes, but too late for medical aid to restore life. The boy was seven years old. His father is now serving overseas.

PONY RUNS AWAY AND GIRL KILLED.

Tillsonburg, July 23.-Clara May Swance, 7-vear-old daughter of Mr. and Mrs John Swance of Zenda, was thrown from a pony and killed last Friday. Severa children had been taking 'arns with the pony. The Swance girl was too short to reach the stirrups, but instead put her foot right through them. The horse got beyond control of the youngster and she was thrown, but one foot caught in the stirrup and she was dragged around the field a considerable distance before she Assistance was was released given at once, but life was extinct before she reached the house. The funeral was held on Sunday and interment at Delmer Cemetery.

MORE PATIENTS ARRIVE

On Friday last fifty patients ar rived at the Ontario Military Hospital, Cobourg, direct from overseas, they being brought here by an escort from Halifax. One of the shell shocked patients has been asleep for over two years, and is still in that state.

A \$10,000 FIRE. fire entailing a loss of over ten! thousand dollars, broke out at 10 45 on Monday night in a building on the corner of Seventh and Steel streets, Crowland, owned by Frank Adelman and occupied by Melville Misener as hotel, and by another tenant who ran a store. The loss is very nearly total for both owner and occupants. About 9.30 two strangers applied at the hotel office for lodgings. They were a room. Both were smoking -Niagara Falls Re-

Thirsty by a Scurvy Trick-Honest Men Object-Bootleggers Who Believe in Fair Dealing Fear

Mulvihill are visiting at the home and general excelence, would never be recognized as whiskey if it were not for the label on the bottle and the faint, familiar bouquet reminiscent of other days. The ingenious way the change is wrought

The bottom of the bottle is deftly removed with a glass cutter, the contents emptied and then refilled with whatever is handy. There is no uniformity about the admixture. Each bootleggers seems to have his own particular brand of "dope." Those who have brought a "crock' say there is not much to choose from although some leave a little more whiskey in the bottle than others. The bottom, which has been removed can easily be replaced and cemented securely. The fact that there is a rough ridge on the bottom of the bottle makes it easy to perform the trick. It is said that those who have been deceived in this way ing operator left for Deseronto last
