# PROGRESS OF THE WAR

### [October 5 to October 11]

The British Red Cross Society Makes HE past week was an eventful one in an Appeal Throughout the British actual fighting, but no results in any Empire for help to Relieve the way decisive were attained at any point. It was still more eventful in its political Sufferings of Wounded Soldiers developments, of which the results canno safely even be conjectured. I have received the following cablegram twenty-second chapter, the sixth verse In the western theatre the struggle

appears to have been fierce and continufrom 1883 to 1885 was Governor General ous at many points throughout the whole line, from Alsace to the sea. The advantage rested with the Allies, who were not the British Red Cross Society : "I beg to inform you that the British he that kindleth the fire shall surely make only able to withstand the tremendous Red Crosss Society and the Order of St. assaults of the Germans at all points, but

to make further gains, notably in the John, in view of the great demands upon their resources, both in France and in the Champagne north of Tahure, and in the near East, have decided to make an ap-Artois about Souchez. In the East the Teutons were, apparent- peal throughout the Empire by street and wilderness. ly, definitely checked; and the terrible other collections upon October 21st. The attack on Dvinsk, which had met with money received from the appeal will be

A BRITISH NAVY SONG

From North to South, from East to Wes

Roars with the roaring waves-

Nothing but the grave!

We sweep the seas!

Our signals flash and write in fire

Can match our British men,-

They'll win again !

We sweep the seas!

We struggle not for place or pelf.

Ring on the favoring breeze-

We sweep the seas!

Down with the foe ten fathoms deep

THE FIRST FIRE LAW

In the Bible, Book of Exodus, the

"If a fire break out, and catch in thorns,

corn, or the field, be consumed therewith,
