BRANCH LIBRARIES

Public Library Board is Considering Plans For Extensions.

The Public Library Board met last night at the office of the Librarian, Mr. Henwood, when those present, were D. J. Waterous, T. Hendry Colonel Howard, Rev. G. A. Woolside and Judge Hardy.

The question of new branch libraries was mentioned and it will be considered during the coming sum

It was pointed out that several of the outlying districts were increasing in size immensely and that soon their espective populations would warrant the building of branches. Echo Place and Terrace Hill are looked upon as good districts for the establishment of branches. An informal discussion on the matter resulted in the decision that the matter would be considered during the forthcoming summer, and action decided upon in the fall.

The Librarian and Miss Middle niss were appointed to attend the Ontario Library Association meeting which will be held in Toronto on Easter Monday and Tuesday. Judge Hardy was named as a substitute re-

The building committee gave short and satisfactory report of the progress of the extensions to the library. Accounts wee passed to the amount of \$428.28 and this concluded the business before the Board.

HELD A DEBATE

Dufferin Scouts and the Y. M. C. A High School Club in an Argument.

The High School Club of the Y.M. .A. and the Dufferin Scout Patrol vere last night the participants in an nteresting debate in the scout room f'the Y.M.C.A. The subject for dis ussion was: "Resolved, that the time nas come for nations to negotiate a peace treaty." The High School boys consisting of Mack Smith, Ken Wood and Reg Waterous, took the affirmative, and won on a close decision from Scouts R. Sweet, T. Ruddy and H Schultz, who took the negative.

There was a slight misunderstanding over the subject by the judges Messrs. G. Pickles, W. Naftel and T. Morris, who, after they gave their decision, learned the correct nature of the subject, and admitted that the Scouts should have won. An endeavor will be made to bring these teams together some night next week and give each man three minutes more on the ame subject. The work of the Scouts was exceptionaly good. They are boys much younger than their opponents, who are all Collegiate students. If they meet next week on the same subject a hot debate is promised.

C.P.R. Stock Takes a Drop

[By Special Wire to the Courier] NEW YORK, April 8.—Canadian Pacific was the overshadowing feature of to-day's early stock market. The action of the Canadian railroad commission in ordering substantial reductions in western Canadian freight rates caused the stock to break from 2067/8, yesterday's closing price, to 1993/4 in the first hour of today's business.

Canadian Pacific has been on a ten per cent. dividend basis since 1912, in which year it sold as high as 283. Much of to-day's selling was for foreign account, the stock being a speculative favorite in Berlin. Montreal and other Canadian centres also sold extensively.
