THE PROBS

Toronto, Dec. 7—The high pressure area which has covered the Great Lakes for some days is now giving way to the approach of a shallow depression from the northwest. Snow flurries have occurred in Manitoba, also over Lake Superior and the Maritime provinces.

Forecasts.

Winds becoming fresh southerly shifting to westerly generally fair today. light snow or sleet in some localities during the night and on Wednesday.

CONSTANTINE RUSHING ON PREPARATIONS

Germans Working Actively in Greece to Influence Opinion.

Britain and France Blocked Peace Conference at Berne.

By Special Wire to the Courier.

Milan, via London, Dec. 7.—The Corriere Della Sera's Athens' correspondent says:

"The intentions of King Constantine of Greece and his general staff continue veiled in mystery and inspire the allies with growing concern. Despite the enormous financial difficulties military preparations are being feverishly hastened. Both in secret and open, German influences are actively at work, especially among those army officers who have shown pro-German bias and who watch closely the situation of the Entente allied army in Macedonia. They are openly discussing means of neutralizing the economic blockade and are contemplating a combined attack with German and Bulgarian forces on the Entente allied armies in Macedonia."

STOPPED PEACE MOVEMENT.

London, Dec. 7.—An interview with an unnamed Hungarian cabinet minister, published in a Budapest semi-official newspaper and translated by The Morning Post, gives some details of the preliminary peace conference which was planned to open at Berne, December 15, but which is said to have failed to materialize owing to the attitude of France and Great Britain.

"The conference," the interview says, "was to arrange for a preliminary armistice and find a basis for negotiations regarding the actual peace conference to follow. The Central empires and Turkey were ready to support the scheme and we received assurances from neutral states that the Entente powers also were favorable.

"At the last minute, however, France and Great Britain withdrew their support. We were given to understand that French official circles held the view that the stage had not yet been reached when peace could be considered."

MEETING OF WAR COUNCIL

Another Session Will be Held To-day in Paris.

By Special Wire to the Courier.

Paris, Dec. 7.—Another meeting of the general war council of the Entente allies will be held here to-day. At yesterday's meeting, which was attended by representatives of France, Great Britain, Russia, Italy, Belgium and Serbia, and was presided over by General Joffre, the French commander-in-chief, not all the subjects under consideration were fully discussed making another conference necessary.

Refugees From Syria.

By Special Wire to the Courier.

Canea, Crete, via Paris, Dec. 7.—The United States Cruiser Des Moines, has arrived here with 344 refugees who were expelled from Syria. This number is made up of 266 French 69 Russians and 9 Greeks.

Singing Sands.

Singing sands which give forth a musical humming when moved by strong winds, are found sometimes to have the sound increased to a kind of howl when a small quantity of the grains is clapped between the hands. The most remarkable of such sands are said to be situated in Kauai, Hawaian Islands. The Colorado desert also contains similar material; Manchester, Mass., U.S.A., has a famous singing beach; and other deposits have been reported. The microscope shows the grains to be almost perfectly spherical. They lose their peculiar property when removed, and one theory is that the sounding is due to a thin film of gas.

LOCAL OPTION IN WARD THREE.

All who are willing to work in the Local Option campaign in Ward Three, meet at headquarters, 7 George street, Tuesday evening, Dec.

Crossed Eyes

can usually be relieved and often permanently cured simply by the wearing of correctly prescribed glasses.

The correction of eye defects of this kind is a matter that requires the services of a highly-skilled Optometrist. Under no circumstances should a matter of this kind be entrusted to one of questionable ability.

If your child has crossed eyes we will be glad to advise you. If glasses will not relieve the difficulty we will tell you so frankly.
