> A Giant American lobster was A Giant American lobster was brought in by the steam trawler Pembroke Castle to the Aberdeen Fish Market the other day. This monster shell fish measured 2 feet 9 inches in length, and had a girth of 13 inches. The lobster was caught in the trawl while the vessel was fishing at Flogga, and is said to be the largest of its kind that has been seen at the Aberdeen market. The fish was not sold on account of its being "over the age limit."
