

# Business is booming!

**Toronto, Ont.**  
 Merchants everywhere tell our 800 salesmen that business is booming.

Farmers have had a record crop, at big prices, with big demand at home and abroad.

Stocks of manufactured material are short, and labor is in great demand.

Exports largely exceed imports.

Factories are busy, a great many working overtime.

More freight cars are needed, and steamers are taxed to capacity.

Canada has, in proportion to population, greater exportable surplus of wheat this year than any other country in the world.

Millions of dollars are passing over the merchants' counters.

The people who spend this money want the best service.

They demand it in all kinds of stores, from the smallest to the largest.

They get it in stores which use our up-to-date Cash Registers, which quicken service, stop mistakes, satisfy customers, and increase profits.

Over a million merchants have proved our Cash Registers to be a business necessity.

Last month the N. C. R. in Canada had the largest sales of any month in the past seventeen.

[Signed] *John H. Patterson.*  
 President of The National Cash Register Co.
