A young gentleman from Mr. Mitchell's constituency was with him upon the first day of his return, and if he was one of his supporters as I presume he was from the fact of his being in-troduced by Mr. M., he must have been gratified at the wide-spread na-ture of Mr. Mitchell's reception; Judges of the Supreme & County Courts, Queen's Counsels, Knights, Barristers, Editors, Merchants, Ship-owners, down to the cartmen about the markets vied with each other in doing hone to the statesman who, by his intellect, ability, and brilliant record in the publie history of Canada has shown himself to be worthy of such distinction; and to the people of Northumberland let me say that the general opinion is that a burning disgrace attaches to the fair record of your County for rejecting a tried and acknowledged worthy representative for one with out any public record to commend him, who by his foolish support of an unjust and most corrupt administration has placed your County again in op-position, and who by his want of the forecast to judge of the signs of the times has shown himself eminently unfit for the lowest political rating. While writing this letter I have ju heard that a protest is about being I will close; Mr. Mitchell is the only one to whom you can turn for any favour or fair play for Northumberland as long as the Macdonald Ministry remains in power, and this, whether in the House or out of it. So in event of another contest your duty is plainly to elect Mr. Mitchell. Northumberland cannot afford to have its member in opposition. So "go sin no more." Yours &c.,
