Ten targets of twenty birds each were abot at, Jennings scoring 187 out of a possible 200, having three perfect accres of twenty and two of nineteen. George Beattie and J. W. Barnes, of Hamilton tied for second honors with 182 each, while Walter Ewing, of Montreal, Canadian champion was next, he making 171. Forty of the best marksmen in Canada compated, ideal weather and a good light making the scores exceptionally high for the opening day.

B. O. Heikes, of New York, led the professionals with 185, Court Thomson, of Hamilton, being second with 180. George L. Vivian and George Dunk, of Toronto, also put on good scores, the Hamilton men. Dr. Overbold, H.

CANOE REGATTA

The first meet of the Canadian Canoe Association to be held in western Ontario will take place in front of the Toronto Canoe Club and under their auspices on Saturday afternoon next at 2 o'clock. Accommodation for about 6,000 has been arranged by putting up grand stands specially for the occasion. The seating has been in charge of an able committee, under Mr. A. M. Graham, and arrangements are all completed, though judging from the fast selling of tickets, it will be hard to get a seat. The Reception Committee is headed by Mr. L. E. Thomas, so all the visitors will be well looked after. There are entries from Montreal, St. John, New Edinborough, Ottawa, Orillia, Kingston, Carleton Place, and Toronto, so the first big Canadian championship cance meet held on Toronto Bay is bound to be the scene of the fastest cance racing ever seen in the world. The war cance racing alone will be worth going miles to see, as it is a question which of the western crewa is the best among themselves, and there is just as much uncertainty in the east. On the time made in the trials the Grand Trunk Boat Club, of Montreal, show up the best, but New Edinborough cleaned up the northern division so casily that they weren't pushed out to their

COBOURG READY FOR REGATTA.

Cobourg. Aug. 5.—The I. Y. R. A. meet, which is expected to go down into history as the greatest thing of its kind that has ever taken place on these lakes, is at hand. The yachts are beginning to arrive.

The course is a triangular one of mine nautical miles. The buoys are all black baskets on white poles. The starting buoy is situated about 1,000 feet southeast by east off the end of the eastern pier. The westerly buoy is about one mile south and a half mile west from Gull Island light. The warning gun for each division is at 9 a. m. The starting gun for the first division is at 10 a. m. After that there are races every ten minutes up to 10.50 a. m. Divisions A. B and E will sail twice around the course. All changes in sailing of programme or sailing instructions will be posted on a bulletin board at L. Y. R. A. headquarters at least two hours before the race they affect. All yachts must conform to the L. Y. R. R. restrictions for racing trim. The committee board is designated by a white flag at the jackstaff on the bow.

The races in the sailing events are open to all yachts belonging to a club in the Lake Yacht Racing Association, Inter-Lake Yachting Association, Inter-Lake Yachting Association, Inter-Lake Yachting Association. The officers of the L. Y. R. A. are: C. G. Marlatt, president and commodore R. C. Y. C.; G. W. Reeves, vice-president; E. K. M. Wedd, secretary. The council is composed of the L. Y.R. A. officers and representatives from the various yacht clubs.

Constable Norman Bramer, a local man, won the championship with a total of 23 points. As an all-around athlete Bramer is quite competent to do himself credit in the best company. P. C. Ernie May, also a local man, won second place with a total of 16 points. The Gillis men were third with 11 points each. The representatives from other cities also did well.

In the 5-mile handicap bicycle race Jones, Hamilton, won after putting up a fine exhibition of riding and strength. He was one of the scratch men, but had overcome the handicap before two miles had been covered. He did not attempt to draw away from the crowd, but let one of the other men set the pace until there were but three laps to go, when he began to get up speed. Unfortunatly he and fire wheel fooled that of another composing and both were thrown. He

The teams have a large number of supporters, and when the East End Y. M. C. A. and the Woodlands played it aroused the whole community. The interference from the spectators is a puzzle to the promoters. Last night between five and six hundred people were present, and they crowded on the side lines.

The Lambton tournament is now over, and the members of the club are able to congratulate themselves on having brought to a conclusion the best meeting they have yet essayed. Not only in point of numbers or in point of skill has this tourney proved unique, but also in the entries from outside clubs, and it must be remembered that a strong contingent came from the United States. This enlivened matters, for the men from across the line went in for everything, whether it was a championship event or a putting competition, and not a little credit of the meeting is due to their hearty support.

Naturally chief interest centred in the finals for the open championship. This lay between the present amateur champion, E. Legge, and his clubmate, W. G. Laird. Laird took a commanding lead right away, and at the end of the first 18 holes had the comfortable lead of 6 up and 18 to go. To use his own words:—"I had to take no chances, and the game was mine." He played this to perfection, taking the first two holes immediately, and getting 8 up and 16 to go. Then Legge asserted himself, but it was not championship golf by any manner of means. Drives were duffed, approaches were short, and putts innumerable were missed during the round, possibly the small following, probably the smallest on record in a Lambton tournament, accounting for this, Anyhow, play was not up to championship form, though those who followed the pair were able to glean many useful hints on how to play the game.

IONS SUSPENDED.

Toronto, Aug. 5 .- F. W. ("Mickey") Toronto, Aug. 5.—F. W. ("Mickey") Ions, of the Tecumseh lacrosse team, charged with committing an aggravated assault on George Kalls, of the Toronto lacrosse team, at Scarboro Beach on Monday, entered a plea of not guilty in the police court yesterday, and elected to be tried by a jury. Mr. J. T. White appeared for Ions, and Mr. J. W. Curry, K. C., represented the Crown. The accused was released on \$200 bail, furnished by Mansger Charles Querrie, of the Tecumsehs, and will appear at the preliminary investigation next Wednesday. Seven thousand spectators were present when the affair took place. Ions had been struck with a ball, thrown from Kalls' stick. As a result, spectators says, Ions committed an unusually brutal and cowardly assault on the Toronto player when he was stooping down to tie his shoe. He is said to have delivered a terrible kick in Kalls' face, which disabled him for some time. Several citizens, including a Presbyterian minister, are reported to have expressed a readiness to testify against Ions in the interest of clean sport.

against ions in the interest of clean sport.

Manager Querrie, it is said, has suspended ions for the remainder of the season. This means that he will not play in next Saturday's match between Tecumsehs and Shamrocks, which will be the critical game of the season. A meeting of the National Lacrosse Union has been called for this examing to deal. has been called for this evening with the case.

Manager Querrie left for Montreal last night to attend the executive meeting to-night, at which will be decided the fate of Ions so far as N. L. U. lacrosse is concerned.

VICS. LOST.

The chances are that not for two or three weeks will anything be done towards the peace compact, but it is hoped that by Sept. 15 everything will be in shape and all bars to the competing of the western athletes here against Federation and A. A. U. men will have been removed.
