THE LETTER FROM HOME

BY THE REV. JAMES GILBORN LYONS, L. L. D.

A youthful stranger walk'd alone, In a great city's busiest place;

He heard not one familiar tone, He saw not one familiar face;

He felt a sore and sudden pang, He felt a pang and sudden pang;

He met her in a festive throng, He met her in a festive throng;

I met her in a festive throng, I met her in a festive throng;

I heard her speak, such silvery notes, I heard her speak, such silvery notes;

Varieties

THE GLOBE WE LIVE ON.—It is known as a fact in Geology, that below the depth of 30 feet, the earth becomes regularly warmer as we descend.

YOUTHFUL NEGLECT.—Walter Scott, in a narrative of his personal history, gives the following caution to youth: "If it should come to the lot of youth to peruse these pages, let such readers remember, that it is with the deepest regret that I recollect in my youth—that through every part of my literary career, I have felt pinched and hampered by my ignorance, and I would at this moment give half the remaining I have had the good fortune to acquire, if by doing so, I could rest the remaining part upon a sound foundation of learning and science."

POWER OF LETTERS.—Which three letters in the English alphabet are the most forcible? N, R, G. (enquiry.) Which two contain the most hateful? N, Y. (enquiry.) Which four are the most capricious? O, C, T, (obesity.) Which two the most faded? D, K, (deceit.) Which four have a title of honor? X, L, N, C, (excellency.) Which three most venerable? N, U, E, (ennui.) Which five are a popular doctrine? X, P, D, C, (expedientcy.) Which three are a famous city? U, T, K, (Utica.)

What female recluse is that whose name read backwards and forwards is the same? Nona.

A CURE FOR WARS.—Take a leaf of a plant called a house leek, which is quite common about houses; peel it, bind it upon a war, and was married four days after.

THE FAIRY SISTERS AND SAUV WATER.—"Jenny," said Missy Fairley sister to her sister, "we must get the sauv water, for my cheeks are as white as clouds, and so were Betty Tamson's, but she got to Gurock three weeks ago, and came home as red, and so good to Gurock four days after."

RECREATION.—Make thy recreation servant to thy business, but thou become slave to thy recreation. When thou goest up into the mountains, leave this servant in the suburbs, and remember the servant must not be greater than the master.

EXERCISE.—Walking is the best exercise. Habituate yourself to walk very far. We value ourselves on having subdued the horse to our use; but I doubt whether we have not lost more, than we have gained by it. No one thing has occasioned so much degeneracy as the Indian body. An Indian goes on foot nearly as far in a day as an Englishman does on his horse, and he will tire the last horse. A little walk of half an hour in the morning, when you first rise is advisable; it shakes off sleep, and produces other good effects in the animal economy.

IMPORTANT APPOINTMENT.—No one who tells with pain will get pleasure. No one who tells with pleasure will get pain. A good deed is a good deed, and a bad deed is a bad deed. Who aims at mediocrity will be above mediocrity; who aims at mediocrity will fall below it.

Many complain of neglect, who never tried to attract regard.

THE ROAD TO HEALTH! HOLLOWAY'S PILLS

CURE OF A DISORDERED LIVER AND BAD DIGESTION

Copy of a Letter from Mr. R. W. KIRKES, Chemist, 7 Prince Street, Liverpool, dated 6th June, 1851.

To Professor HOLLOWAY: Sir—Your Pills and Ointment have stood the highest on our sale list of Proprietary Medicines for some years. A customer, to whom I can refer to my superior, desires me to let you know the particulars of her case. She had been troubled for years with a disorder of the liver, and bad digestion. On the last occasion, however, the violence of the attack was alarming, and the inflammation set in so severely, that she was in the enjoyment of perfect health. I could have sent you many more cases, but the above, from the severity of the attack, and the speedy cure, I think, speaks much in favor of your astonishing Pills. (Signed) R. W. KIRKES.

AN EXTRAORDINARY CURE OF RHEUMATIC FEVER, IN VAN DIEMEN'S LAND. Copy of a Letter inserted in the Hobart Town Courier, of the 1st of March, 1851, by Major J. Welch.

Margaret McConigan, nineteen years of age, residing at New Town, had been for some time afflicted with a violent rheumatic fever, which had entirely deprived her of the use of her limbs; during this period, she was under the care of the most eminent medical men in Hobart Town, and by their her care was considered hopeless. A friend prevailed upon her to try HOLLOWAY'S PILLS, which she commenced to do, and in an incredibly short space of time they effected perfect cure.

CURE OF A PAIN AND TIGHTNESS IN THE CHEST AND BROMACH OF A PERSON 84 YEARS OF AGE. From Messrs. Thos & Son, Proprietors of the Lynn Advertiser, who can vouch for the following statement—August 2, 1851. To Professor HOLLOWAY:

Sir—I desire to bear testimony to the good effects of Holloway's Pills. For some years I suffered severely from a pain and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of life, these Pills have so relieved me, that I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) HENRY COE, North Street, Lynn, Norfolk.

AN EXTRAORDINARY CURE OF THE GRAVEL, AND A MOST DANGEROUS LIVER COMPLAINT. Copy of a Letter addressed to J. K. Higginson, Esq., Sidney, New South Wales, dated February 25, 1851.

Sir—A Mr. Thomas Clark, a settler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, together with the Gravel, which he was unable to get rid of by any means. He was told that his case was hopeless, and he was in a state of despair. I am now rendered, by their means, comparatively active, and can take exercise without inconvenience or pain, which I could not do before. (Signed) Wm. JONES, Proprietor of Goulburn Herald, New South Wales.

With this New and ENLARGED EDITION OF MANHOOD, which is now translated into five languages, will be given, the Author's Prescription of a Disinfecting Lotion for the prevention of all Secret Disorders.

At home for consultation daily, from 10 till 3, and 6 to 8. "MANHOOD," by J. L. CURTIS.—We agree with the Author, that so far from works of this class being objectionable in the hands of youth, or difficulties being opposed, every facility should be given to their circulation; and to strengthen our opinion, we need but refer to the recent distinguishing grants at our Military and Scholastic Academies at Carlhalton and Woolwich.—"Naval and Military Gazette," Feb. 1, 1851.

"We feel no hesitation in saying, that there is no member of society, for which the book will not be found useful,—whether such person hold the relation of a parent, preceptor, or a clergyman.—Sun, Evening Paper.

"CURTIS ON MANHOOD.—Fortunate for a country would it be, did its youth put into practice, the philanthropic and scientific maxims here laid down.—one case of matrimonial misery might thus be banished from our land, and the race of the enervate, be succeeded by a renewal of the hardy, vigorous spirits of the olden time."—Chronicle.

Published by the AUTHOR; who begs to inform patients in the East and West India, the Mediterranean and the British Colonies, that their cases can be successfully treated by correspondence only, if the usual fee be enclosed, and the most inviolable secrecy may be relied on.

TWELVETRES BROTHERS' SOAP POWDER

AN ENTIRELY NEW INVENTION, A PACKET OF WHICH IS EQUAL TO TEN PENNYWORTH OF THE SAVERING OF TIME AND LABOUR is an astonishingly great, that a WEEK'S WASH can be accomplished BEFORE BREAK-FAST,—no rubbing being required.

This wonderful article is MORE SERVICEABLE THAN SOAP, as it produces a better and much quicker lather; and is adapted for purposes, for which Soap cannot be safely or effectually used. It will not injure the hands, or the most delicate materials; but whilst it is incomparable for permanently whitening Linens, &c., after they have become discolored by age, or injured by bad Washing, it is also unsurpassable for improving the colors of FLANNELS, BLANKETS, WOOLLENS, COLORED PRINTS, MUSLINS, AND LACE.

This useful article has been tried on this Island, and can be confidently recommended. Sold wholesale and retail by WASHINGTON FLUID, A LARGE quantity of the above useful article for Sale at SKINNER'S Drug Store, Medical Warehouse, Dalrymple's Corner, February 2, 1852.

JUDSON'S CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT. Consumption can be and has been cured, in thousands of cases, by this only certain remedy, JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly Cure Consumption.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and a patient brought to lying, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicaments which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicaments which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, pain in the side and chest, weightiness, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen and Merchants, have been sent us for this medicine, but the publications of them looks too much like Quackery, [we will show them to any person, calling at our office.] This medicine will speak for itself and enough in its own favour wherever it is tried.

Caution.—This medicine is put up in a large bottle and you must find the name of Judson & Co., Proprietors, New York, on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9 John St. New York.

To Owners of and Dealers in Horses. CARLTON'S FOUNDER OINTMENT. For the cure of Founder, Spilt Hoof, Hoof-bound Horses, and contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scatches, Cuts, & Kicks, &c., on horses. CARLTON'S RING-BONE CURE. For the cure of Ring-bone, Blood Spavin, Bone Spavin, Windgalls, and Splints.—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE. The changes of weather and season, with the change of air and feed, have a great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body they may have contracted, and which, if not attended to, will result in the Yellow water, Heaves, Worms, Potts, &c. All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore has the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them.

Remember and ask for CARLTON'S CONDITION POWDERS, and not the other. CARLTON'S NERVE AND BONE LINIMENT FOR HORSES. and for the cure of all diseases of man or beast that require external application, and for contracted cords and muscle, stretch no weak limbs, and is also used for sprains, bruises, saddle galls, swollen legs, sores of all kinds on horses.

CARLTON'S articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety-nine cases out of one hundred of any of the above complaints. They have been used by Farmers, liveries, stage proprietors and others with the most marked and decided success. Caution.—None can be genuine unless you find the name of J. Carlton Comstock, on the Wrapper of each article.

COMSTOCK'S VERMIFUGE. This is the most extraordinary remedy for Worms ever used; it effectually eradicates Worms from both Adults and Children. It cannot harm the most delicate infant or strongest Adult, and never fails to completely root out and destroy all kinds of Worms. The cost, 25 cents per bottle, puts it within reach of all, and all parents who are without it, are wastefully exposing the lives of their children to those fell destroyers of youth, "Worms." Look for the name of Comstock & Brother, proprietors, on the Wrapper of each bottle.

To the Old and Young!! Ho! ye Red Heads and Grey!!! PHENOMENON IN CHEMISTRY!!! EAST INDIA HAIR DYE. COLORES THE HAIR, AND WILL NOT TIE SKIN. This dye may be applied to the hair over night, the first night turning the lightest Red or BRIG HAINO a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble keep his hair as dark shade or perfect black; with a positive assurance that the dye, if applied to the skin will not colour it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article. There is no colouring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. COMSTOCK, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.

Deafness. Use Dr. LARZETTE'S ACQUETIC OIL, for the cure of Deafness. Also, all those disagreeable noises, like the buzzing of insects, filling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen or twenty years, and were subject to use ear trumpets, have after using one or two bottles, thrown aside these trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing deafness.

HAY'S LINIMENT FOR THE PILES. The worst attacks of the Piles are effectually and permanently cured in a short time by the use of the genuine Hay's Liniment. Hundreds of our first citizens throughout the country have used this liniment with complete success. Caution.—Never buy it unless you find the name of Comstock & Co., upon the wrapper, proprietors of the genuine article. Caution.—All of the above-named articles are sold only in New York, by Comstock & Brother, No. 9 John Street, See doors from Broadway.
