### Want 4 Yr. Course In Pharmacy

Halifax, N. S., July 29—A four year college course for students in pharmacy, instead of a two year course as at present, was urged by a large number of speakers at Wednesday afternoon's session of the fiftieth annual convention of the Nova Scotia Pharmaceutical Society in the medical science building of Dalhousie University. The development of pharmacy in the province of Nova Scotia was traced by Fraser Colquhoun, of North Sydney, president of the society in the course of his presidential address.

A party of about forty members of the Canadian Pharmaceutical Society of Montreal are attending the Nova Scotia convention. On Monday

in company with a large number of the Nova Scotia druggists, they left for Charlottetown, where the annual meeting of the Canadian Pharmaceutical Society will be held.

### Want Provinces To Tax Railways On Mileage Basis

Suggesting that the Manitoba Government consider adoption of a policy of taxing railways on a mileage basis instead of on gross earnings, Sir Henry Thornton, president of the Canadian National Railways, Major Graham Bell, Deputy Minister of Railways, and Mr. Gardiner, member of the Canadian National Board, con-

ferred with Premier John Bracken. Premier Bracken, it is understood, believes the proposed scheme inequitable on the ground that Manitoba with small mileage and big business would suffer at the expense of provinces where mileage is great and business small. The railway officials, it was stated, plan to submit the proposal to other provincial governments on their trip west and confer further with Premier Bracken on their return journey.

### LYNCH ATTRACIONS

The Lynch Attractions under the auspices of the local G. W. V. A. drew large crowds each evening last week, but apparently the business done was small. It was some place for the people to go and they seemed to enjoy the fact that they were moving about in a crowd.

### REV. FR. MURDOCH DIES SUDDENLY AT RENOUS

Much Beloved Parish Priest of Renous Expires as He Enters Home After Saying Mass.

The death of Rev. Father E. S. Murdock, Parish priest of Renous, occurred suddenly at Renous, on Saturday morning, August 3rd.

Father Murdock was returning from saying mass and was about to enter his home when he was suddenly stricken down.

The late Rev. Father Murdock was about 63 years of age and has been parish priest of Renous for the past 30 or 32 years. He was widely known throughout the province and elsewhere as a man of lovable disposition and numbered among his friends many of all creeds. He was on a trip to Rome this year, and apparently was enjoying the best of health, in fact recently he had expressed himself as feeling in particularly good health.

The late Rev. Fr. Murdock was a son of the late Mr. and Mrs. Alexander Murdock, of Lower Napan. He is survived by one brother, Mr. Alexander Murdock, of Lower Napan, and one sister, Mrs. Harriman, of Loggieville. Mr. Bert Murdock, of Chatham, is a nephew.

The funeral took place Monday morning at 10 o'clock, and services were held at the Cathedral in Chatham with Bishop Chaisson officiating.

### MINSTRELS WILL GIVE BAND CONCERT

Residents of Newcastle will remember the John R. Van Arman's Minstrels, which appeared here two years ago in the Opera House. They are coming to Chatham on Tuesday, August 11th, for one night only, direct from a two year tour of B. F. Keith's Circuit of Theatres and are travelling in their \$2 foot long private Pullman Diner and Sleeper. The minstrels consist of thirty all white stars and are a wonderful musical aggregation. On their arrival in Newcastle on the Ocean Limited at 1.40 p. m. on Tuesday, August 11th, the minstrels will give a band concert at the station until the departure of the train for Chatham. This is an opportunity for music lovers to hear a choice musical program and it should be taken advantage of. Tickets are now on sale at Frank Maher's Variety Store, Chatham, with prices ranging from 50c., 75c. and \$1.00 Plus tax. Many from Newcastle will doubtless attend the concert, and those doing so may be assured that they will not regret it.

### NOMINATION PAPERS FILED YESTERDAY

Nominations for all candidates in the coming provincial election, which takes place next Monday, August 10th were received yesterday in the counties in which the candidates are running in the province. Each nomination paper required the signatures of 20 or more electors and each candidate made a deposit of \$200. This will be forfeited if the candidate fails to receive a certain percentage of votes on polling day.

Sheriff Wm. Skidd, returning officer for the county of Northumberland held court in the county court house, Newcastle, at 12 o'clock noon and received the nomination papers of the several candidates for this constituency. At 2 o'clock in the afternoon the candidates addressed the electors in the Opera House. The meeting was largely attended, many electors from outside parishes being in attendance.

The following candidates filed nomination papers here.

C. J. Morrissy, P. C. Price, H. Savoy, F. M. Tweedie.

#### Opposition

### EXPECT 40,000 PEOPLE ALONG THE SAGUENAY

Leichton MacCarthy, K. C., counsel for the Aluminum Corporation of America, said it was not the intention of the company to move the headquarters of the concern to Canada from the United States. Mr. MacCarthy said that both sides of the Saguenay River belonged to the company, which expected to place 40,000 people in the settlements along that waterway. Fifteen steamers would be employed bringing bauxite from British Guiana for the manufacture of aluminum in Quebec. After a couple of seasons in constructing works, Mr. MacCarthy said, manufacturing should be started by January 1927.

A despatch from Paris to the Toronto Star says the Aluminum Company of America will spend \$70,000,000 in developing the "model" city.

#### INJURED BY FALL

As he was entering his residence, Water street, Tuesday at noon, Mr. W. F. Cassidy of Chatham, had the misfortune to fall on the granolithic pavement and suffered a very severe fracture of the leg just above the knee cap. Dr. Delaney was summoned and the injured man was removed to the hospital where the leg has been set and he is receiving treatment.

### CLOSE FINISHES ON CHATHAM TRACK

John D. Braden captured the free-for-all in the opening day of the Miramichi Driving and Sporting Club's big mid-summer meet. The best time made was 2.08½, the track being rather heavy owing to prolonged rain. The other events run off were: The 2.17 mixed, which was won by Alfred King, Miss Atlantic took the 2.25 mixed, while the 2.24 trot went to Peter Stillwell. The last named race only went two heats owing to the lateness of the hour. The races were witnessed by the largest crowd ever present on the track. Every heat was closely contested and much enthusiasm prevailed throughout.

The officials for the races were: F. J. D. Graham, St. Stephen, starter; P. A. Belliveau, H. H. Carvel, judges.

The second day of the Miramichi Driving and Sporting Club's mid-summer meet was featured by close and thrilling finishes. Dan Hegde-wood captured the honors in the junior free-for-all, winning three out of five heats. The best time was 2:11 1-4. The last heat was a thrilling fight between him and Saccharose. Earl North won the 2.14 mixed. After making a bad start in the first heat he captured the three remaining heats beating Peter Tanlac by a nose in the last heat. Gleaming Silk was the winner in the 2.17 trot, taking three out of four heats. In the third heat he broke badly and dropped back to fifth position.

The weather was threatening in the morning, but it cleared in the afternoon and proved ideal for racing. The races were attended by a fairly large crowd.
