The schooner Angus Grant, Captain Thorburne, from this Island for Halifax with a load of produce, was totally wrecked at Ca George, N. S. The crew had a narrow esc with their lives. The captain's wife was board at the time. The vessel is seve tons register, was built at Booth Bay, Mai in 1881, and is owned by her master.

Tue annual St. Andrew's dinner will held in the Osborne House on Friday nig and judging from the past and consider that the festival is growing in favor year year, we have no doubt it will be a gr affair. The Scotch know how to get a good dinner, and to enjoy it. The anniver-sary will be celebrated under the auspice of the Caledonia Club.

MR. ARTEMAS MURPHY was married in the Cathedral vesterday morning, to Miss Mary Helen Heard, by the Rev. Father Corbett; and also Mr. Maurice Doyle to Miss Alice Brenan the parties being all of Charlottetown, and well-known and respected. A great many of the friends of the "parties chiefly concerned" were present and wished them long life and FLETCHER'S MUSIC STORE happiness, as we do now.

A VERY SAD EVENT took place at Mount Whatley, near Sackville, on Thursday night. A chiravari was held on the occasion of the marriage of Mr. Thomas Lowther's daughter, during which a party of young men appeared in front of the house and fired a salute, after which a young farmer named Benjamin Smith was seen to fall dead. On the land of the salute, after which a young farmer named Benjamin Smith was seen to fall dead. On the land of the land o inspection a large hole was found in his right side. The shooting is supposed to be accidental. A chiravari is certainly stupid Sydney Street. Terms moderate. beyond description.

Mr. George Dogherty, of Ottawa, contractor for the new Post Office at Moncton; and an enterprising man generally, left the city last Monday after a short visit. During his stay here he was in communication with Messrs. Findlay, Beer, and others interested in the starch industry, for it seems Mr. Dogherty is in possession of knowledge which, if utilized, will have the effect of extending the starch trade while reducing the cost per lb. one half a cent. It was proposed to form a company with \$12,000 worth of stock, Mr. Dogberty throwing in his plant, will be received until SATURDAY, Dec. the cost per lb. one half a cent. It was pro-

piesed to form a company with \$12,00 worth of stock, Mr. Dogherty throwing in his plant, etc., as stock, and also some money. The proposition was, we understand, favorably received by the gentlemen named, who are now considering it. If the idea he carried out it will be of benefit to laland industries.
