With "Paisley Flour"
you really can!

Perhaps you once tried to make cakes and
pastry at home and were not successful.
Some ways are difficult, especially for
beginners, but the "Paisley Flour" way is so
easy you can hardly go wrong. Paisley Flour
is mixed dry one part with eight parts of
ordinary flour. This done you are sure of
light and well raised cakes and scones, and
pastry free from doughiness.
Begin to-day with one of the recipes in the
"Paisley Flour" tins and you will find that
"you really can."
Sold in 22c., 14c. and 5c. tins. The 22c.
tin contains 14 oz. and will raise 7 lbs. of
ordinary flour.
"Paisley Flour"
The SURE raising powder.

Spring Announcement!
"Like a bold champion I assume the lists,
Nor ask advice of any other thought,
But faithfulness and courage."
The winter frost and snow have lent their aid in harvesting the product of
the forest. The logs are now gaily bounding through the open Rivers on
their way to meet the onslaught of Circular and Gang Saw. The result will
be Lumber in galore, and of the best.
The clean atmosphere, high winds and warm sun of Notre Dame Bay have
united to provide the seasoning process in perfection, so that our 1910 stocks
arrive here clean, bright and dry. Already several large cargoes have
been landed at our wharves, St. John's, in spite of a late spring. Others
are in course of transit.
We call upon our friends in St. John's, and through the length and
breadth of the country to send us their orders.

Avondale Fire.
Our parish church, which represent-
ed many years of sacrifice and labour,
was destroyed by fire in the lightning
storm of June 17th. This loss comes
upon us while we are still endeavouring
to pay off the debt on the par-
ochial residence recently built.
Our parish is small both in popula-
tion and resources, and under the cir-
cumstances we are compelled to ask
the outside public for assistance. Any
contributions, no matter how small,
will be gratefully accepted by the fol-
lowing members of the committee:—
