ASK YOURSELF THESE QUESTIONS

And find out if you have kidney disorders—Also make this test. Have you pains in the back over the kidneys? Have you urinary disorders? Do you suffer from severe headaches, dizziness or defective eyesight? Is the skin dry and harsh? Are you failing in health and strength and suffering from rheumatic pains or swelling of the limbs? These are a few of the symptoms of kidney disease, and here is the test. If the urine after standing for twenty-four hours is cloudy, milky or has particles floating about in it, or if there is a sediment in the bottom of the vessel, your kidneys are diseased. There is no time to lose in beginning the use of Dr. Chase's Kidney-Liver Pills. They will help you more quickly than any treatment you can obtain, and that is one reason why they are so successful and popular. Dr. A. W. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers, or Edmansson, Bates & Co., Toronto.

Rae Island.

A PLEA FOR THE INCURABLES.

Editor Evening Telegram. Dear Sir,—Recently there has been quite a discussion about the disposal of the Rae Island property, some advocating the sale open by auction instead of by tender, and I think the former would recommend it to most of our citizens. There are others who contend that the property should not be sold but retained by the Government in connection with the Lunatic or Poor Asylums. I would now make an appeal on behalf of the afflicted who are pronounced as incurable. For a number of years past a few ladies known as the Alexandra Workers have interested themselves in this matter and have laboured in season and out of season to gather funds for a wing to the General Hospital, but as yet they have not met with much, if any, sympathy from the Government. The A. W. have about \$7,000 on hand, and if the Premier would put Rae Island, which is an ideal place for such a purpose, at their disposal, I think it would meet the approval of all, as the matter affects the population of the whole Island, and it will give these ladies a hope that their work will not be in vain and induce others to join their ranks. I believe Mrs. J. B. Ayre was the prime mover in the formation of the A. W., and as Hon. J. B. Ayre is a Director of the Savings' Bank we may hope that we will have his support. Yours truly, RUTH GALLAGER. St. John's, Oct. 27th, 1911.

Child Performer Killed by Lion.

JACKSON, Miss., Oct. 25.—Smiling, despite the pain caused by frightful wounds which covered her back and arms, twelve-year-old Martha Frazier died to-day as a result of being attacked by a lion in Ufa, Miss., where a circus was performing. The girl was alone in a cage with the lions at the time she was attacked. The animals had been docile, and there was no intimation of trouble when she put them through their tricks. Her concluding act was to make the largest lion roll over on his back and put his feet together. The lion refused to move, and the girl prodded him with a stick. The beast then sprang upon her, and mangled her badly before he was shot.

Frenzied by Liquor.

Saturday at midnight Constables Scully and Dawe had to go about 2 miles into Freshwater to arrest a young man who, frenzied with liquor, terrorized his parents and all in the household in which he dwells. Seizing an axe he went outside the house and broke up a long cart owned by his father, who feared that he might also do damage inside the dwelling. The police brought the man to the station, where he was held to appear in court to-day.

FOUND IN DRAIN.—At 9.30 Saturday night the police had a 'phone message saying that a man was lying in the drain at Merrymeeting Road. Two policemen went up in a carriage and brought the unfortunate, who was intoxicated, to the police station.
