**B**UYING in this age is now almost reduced to a science. It behoves every house keeper to squeeze as much purchasing power as possible out of her dollar. To watch and read the offerings of the storekeepers through the newspapers should be the exclusive department of one of the family circle—these are trying times with the cost of living climbing higher and higher every day. You will always find in Devine's advertisements a wealth of money-saving information—a message from bargaindom, and a ray of hope for the family of scanty means. The following is of more importance to you Mrs. Housekeeper than any item in this paper. Read it first, it is a story of interest.

### T. A. Band Presentation.

Mayor Ellis, President of the T. A. & B. Society, formally presented the bandmen with a baritone, euphonium, trombone, clarinet, cornet and bass drum, at the T. A. Armoury, last night. He warmly praised the bandmen on their progress and the interest they took in the affairs of the Society. A special vote of thanks was accorded Mr. James Clancey for his good work in raising the funds to purchase the drum. Short congratulatory speeches were also made by Messrs P. J. O'Neil, P. J. Hanley, E. M. Jackson, J. J. Bates, Geo. J. Coughlan and Mr. Costello, the President of the T. A. Society, of Trepassay. A dance followed for which the music was rendered on the newly acquired instruments. Refreshments were served also, and the gathering did not disperse till 2.30 in the morning.

### Wedding Bells.

At St. Patrick's Church last night the wedding of Mr. John Doody, of Bonavista, to Miss Kitty Shea, of Barron Island, P.B., was solemnized by Rev. Fr. McDermott. Miss Mary Murphy was bridesmaid and Mr. Peter McDonald, assisted the groom. The bride looked very pretty, attired in cream silk with wreath and veil. After the ceremony the wedding party went to the residence of the bride's parents, Walgrave Street, where an enjoyable hour was spent and the health of the bride and groom duly honoured. They were the recipients of many valuable and useful presents. The happy couple left by this morning's train for Placentia where they will spend a few weeks. They will afterwards go to Boston to reside. Mr. Doody has been there for several years and made his home there. The Telegram extends congratulations.

### Will Make Hair Grow

Every up-to-date woman should have radiant hair. There are thousands of women with harsh, faded, characterless hair, who do not try to improve it. In England and Paris women take pride in having beautiful hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA the Great American Sage Hair Tonic. McMurdo & Co. sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair, and itching scalp in ten days, or money back.

### Taken to Asylum

Constable Bussey arrested a young woman last night and brought her to the station. Dr. Rendell was called to examine her as she was acting strangely. He declared that she was insane and ordered her to the Asylum. She had been all the fall stealing rides on the street cars and making herself troublesome to the conductors.

### Sale of Work.

Dear Sir,—The Ladies' Aid Association of the Methodist Church, Spencer's Cove, P.B., held their Sale of Work on Nov. 15th and 16th. A tea was also served up by the ladies and an enjoyable evening spent by all who attended. There was a large gathering from the adjoining coves. The Aid succeeded in getting a nice sum of money to help on the church in fitting it to perfection.  
A WELL WISHER.  
Spencer's Cove, P. B., Nov. 17th.

### Codfish Plentiful

Passengers from the S. W. Coast by the S. S. Portia say that the fishermen are doing great work all along the South West Coast from Burn to Cape Ray. Codfish are exceptionally plentiful and the fishermen are doing good work every civil day when the weather is fine enough to get out. The Gordon Pew Co's agents are buying up the fish at three cents a pound, and the fishermen are making big wages.

### Sluggish Liver Action

Causes indigestion, constipation and bilious headache—Dr. Chase's Kidney-Liver Pills the cure.  
"Sluggish liver has been my trouble," writes Mrs. J. P. Smith, Paris, Ont., "and I have been greatly benefited by using Dr. Chase's Kidney-Liver Pills. I have taken medicines from several good doctors, but none ever did me the same amount of good as Dr. Chase's Kidney-Liver Pills. I could not keep up and do my work if I did not use these pills when the bilious spells come on, and I have recommended them to many."  
"Dr. Chase's medicines were about the only kind that came into my father's house 40 or 50 years ago, and they were always satisfactory."  
"Dr. Chase's Kidney-Liver Pills are prompt, definite and direct in their action on the liver, kidneys and bowels, and are therefore the most effective treatment obtainable for biliousness, indigestion and constipation." 25 cents a box, 5 for \$1.00, at all dealers, or Edmondson, Bates & Co., Toronto.

### \$25 in GOLD Given Away

It is a great "QUEEN LINIMENT COMPETITION" open to every Man, Woman and Child in Newfoundland. On the 1st of March, 1912, will be given away to the Four or more successful winners of this competition the sum of \$25.00 in Gold.  
We have on exhibition in the window of our Medical Hall, Theatre Hill, a rectangular box having an inside space as follows: length, 3 inches; breadth, 4 inches; height, 3 inches. This box is filled with Antibilious Pills of about the size of a pea.  
The competition is to guess as near as possible the number of pills contained in the box. The person guessing the exact number, or the nearest number of pills in the box, will receive for the first prize \$10.00; second prize, \$5.00; third and fourth prizes, \$2.50 each.  
In the event of two or more persons guessing the same number, the amount of the prize will be proportionately divided amongst the successful winners. That rule will apply to all prize winners. Every person purchasing a bottle of our "QUEEN OF LINIMENTS," whether in the city or outport towns, and mailing us the outside green wrapper of bottle, with the number of guess, together with their name and address, will have a chance of winning the grand prize.  
On the same date the box will be opened by two reliable and competent judges, who will carefully count the number of pills, and make the awards to the successful competitors.  
"STAFFORD'S QUEEN OF LINIMENTS" is one of the most perfect and penetrating Liniments that can be purchased in Newfoundland, and it ought to be in every household. Once used always used.

Another eager year is chasing itself away, and going fast! Ah, how the hustling years are racing along to swell the musty past! Another year! A little older we find ourselves, and leave some come around our eyes. Our voices grow a little wheezy, our breath oft comes in labored pants; no longer do we find it easy to kick our heels and sing and dance. Our journey is a bit more lonely, for friends we loved are gone to-day, and we shall hear their greetings only when we have gone the same dark way. Our hearts have grown the least bit sadder, from mourning often for the dead; the path before is plunged in shadow, the path behind we cannot tread. The flying years mean mighty little to buoyant youth, so full of hope; but ancient men, whose bones are brittle, find little comfort in the hope. The new year seems all hunky-dory to Pollo in his morning years, but to the old man, bent and hoary, it brings a message full of tears!

### A Prize of ONE THOUSAND DOLLARS In Gold.

The announcement of Canada's victory over the United States in the contest for the prize offered by Sir Thomas O'Shaughnessy, President of the C. P. R., for the best wheat grown on either continent of America, was made November the 4th, at the Land Show in Madison Square Garden, New York. The winner of the world-beating wheat was Mr. S. Wheeler, of Saskatchewan, Canada. He received a prize of \$1000.00 in gold.

### Harbor Grace Notes.

Turnips are now a very scarce article in town, and the few barrels that are offered for sale are \$1.50 per barrel.  
Two carloads of lumber arrived by train yesterday to the Union Wood Working Company, and three other carloads are on the way. The Pynn Bros. are doing a good trade and we congratulate them on their enterprise and business ability.  
On Monday last sad news was received by two of our citizens. Mrs. Emma Walsh was apprised by telegraph of the death of her sister, Mrs. C. Bussey, of St. John's, and the afternoon's mail conveyed to Mrs. F. Grimm the sad news that her brother, Mr. W. McNeill, had passed away at his home at Bay Roberts, aged 84 years. We tender our sympathy to both families.  
Mr. John Brunless took a run over to St. John's this week on business. He returned yesterday.  
Mr. and Mrs. John T. McRae have just removed into the beautiful residence lately purchased by them—"Greyhurst," the property of the late Dr. Allan.  
The British band concert came off last night and was a very enjoyable affair. It is almost unnecessary to say this, as British band concerts are particularly interesting with the general Prof. Kennedy in charge. The amount realized, we hear, was in the neighbourhood of \$70, which sum goes towards the new uniform for the bandmen. The said uniform was worn for the first time last night and looks very well indeed.  
We regret very much to report the serious illness of Mr. Israel Smith, of Bishop's Falls. Mr. Smith has been suffering from stomach troubles for some time, and his condition now is very serious.
