FORMER ARMY NURSE HAS FULLY RECOVERED.

"I Can Never Express My Gratitude For What Tanlac Did For My Wife." Says Husband—Never Felt Better In Life.

Ed Morris, 277 University St., Montreal, P.Q., Sergeant in the Canadian Army during the late World War, and whose wife accompanied him overseas as a trained nurse, comes forward with an interesting statement regarding the merits of Tanlac. Mr. Morris is at present travelling in the interest of the Great War Veterans' Association.

"I must say," said Mr. Morris, "I can never fully express my gratitude to Tanlac for what it has done for my wife. For two years she suffered with indigestion, lost her appetite entirely, and what little she forced herself to eat bloated and disagreed her terribly. At times she suffered with severe headaches, and her nerves were in such a bad condition that even the ringing of the telephone would upset her completely, and it was impossible for her to get a good night's sleep."

"She became very weak and run-

down, and, in fact, not even the an army nurse caused her anything like the suffering this trouble did. We tried a number of different medicines from time to time, but nothing helped her until she got Tanlac."

"Well, she is not like the same person now. Her appetite is so good she is always ready for a hearty meal, and her stomach never gives her the least pain or distress. Her nerves are in fine condition, too, and she sleeps like a child nights and is refreshed and full of energy mornings. In fact, I just received a letter from her, from Toronto, where she is spending a vacation, saying that she never really felt better in her life. Since Tanlac has done so much for her, it always gives me pleasure to say a good word for it."

Tanlac is sold in St. John's by Mr. Connors, in Paradise by Mr. Martin Andrews, in Portland by H. C. Haines, in St. Joseph, Salmonier, by Mrs. J. Gush. In Milltown by Exploits Valley Rural Stores, Ltd., in Flat Island by William Samson, in Jamestown by Christopher Haines, and in Lewisporte by Uriah Frazer.
