

FIRE INSURANCE

The Fire Insurance Companies we represent and write a large amount of business for, are absolutely in the best class financially. The world's greatest Insurance authorities state that our Companies have "EXCELLENT MANAGEMENT and EXCELLENT LOSS PAYING RECORD," which is the highest financial Insurance compliment obtainable. Insurance placed with our Companies is Safe. The Tokio Marine and Fire Insurance Company, Limited (controlled by New York interests), has paid promptly to date in losses over ONE HUNDRED MILLION DOLLARS. Its percentage of Assets over Liabilities is greater than that of any Fire Insurance Company operating in Newfoundland. The Westchester Fire Insurance Company has paid promptly to date in losses over SEVENTYMILLION DOLLARS
