Two old residents have lately passed away. Sarah, relict of the late James Hill, one of the oldest and most respected residents of Caraloc, died on Monday, 4th, at the residence of her son James, aged 74 years. The funeral took place the following Wednesday to Mount Carinel and was very largely attended. On Saturday, 2nd inst., Wm. Jury died at the residence of his son, O. B. Jury, Strathroy, aged 82. He was born in Woolwich, Eng., emigrated to Bytown (now Obtawa) in 1821, came to Adelaide in 1844, and afterwards carried on business in Strathroy and Petroles. He was greatly respected, was a consistent member of the Methodist Church, and leaves a large family, including Thomas, David and Jonas Jury, Napperton; John C., Kertwood, and O. B., Strathrov. The funeral took place the following Monday to the Fourth Line Cemetery, Rev. Messrs. P. K. Dayfoot and J. G. Kerr conducting the services, the following old residents acting as pall-bearers: William and David Rapley, George and James Parker, A. Hilton and Mark Mann.

Dealt With by the Board of Health—
Deputation to the Provincial
Board Appointed.

A meeting of the Board of Health was pell yesterday afternoon, there present A meeting of the Board of Health was held yesterday afternoon, those present being: Ald. Taylor (chairman), Moule, Anderson, Wallace, Drs. Niven and Gardiner, Colonel Moffatt, Medical Health Officer Hutchinson, Inspector Bell and Secretary Graydon. A communication from the City Council was referred back to the Board of Works. Another communication was received from the City Council asking the Board to reconsider the removal of the convenience from Victoria Park.

Dr. Hutchinson pronounced the place to be a nuisance. Caretaker Grant had told him that men went into the shrubbery and committed nuisances.

Ald. Wallace said if that was the case the caretaker was not doing his duty.

Dr. Gardiner thought so too. If one man did not do his duty they should get one who would.

Dr. Hutchinson was instructed to take

Dr. Hutchinson was instructed to take steps to have the nuisance stopped.

Inspector Bell was also ordered to see that the closet at Queen's Park was kept in a clean condition.

Dr. Gardiner said that there were seavengers going around the city attending to water-closets who were not within the bylaw, althing which should be stopped. He moved that the scavenger be compelled to report to Inspector Bell 48 hours after making a cleaning. Carried.

A communication was read from Mr. Bunn complaining of a nuisance at the resr of his houses, corner of Hill and Maitland streets, where one of the cleaners had left one of his wagons in the yards. The Inspector was instructed to make the man cover the wagon in the daytime.

Inspector Bell reported that a great deal of trouble had arisen from the disposal of night soil and garbage. The report further suggested that it would be advisable for the Board to consider a satisfactory scheme for disposing of the nuisance. It was decided that a committee be appointed to look after a site where the stuff may be dumped or where, if necessary, a crematory may be built.

Inspector Bell further reported that 4,559 residences had been visited in the house-to-house inspection, which was still going on. Russet - Cream In reference to the Assistant City Clerk's BROWN LEATHER BOOTS
