TABLE LINEN SECONDS

# 300 Tablecloths, Seconds, on Sale Today

These, we might say, are a choice lot of cloths, all pure linen, and a great majority of them are double Damask. They have just arrived and you'll have first pick today. You cannot judge them by the ordinary run of seconds, as they come from the best manufacturer in Ireland of this class of linen, and it's only through imperfections in the weaving (and some very slight) that they are placed in this class. The sizes run from 11/2 to 4 yards long and the prices are, as usual, about one-third under regular value. They came too late to announce in Friday's paper. If you cannot come today come early
