SPIED TODAY

PRIZE FOR BEST ITEM DAILY.

YOU must see something going on every day. Perhaps not a big thing, but interesting. The Advertiser wants you to send it for use in the "I Spied" column. Every reader a reporter is the idea behind the plan. The items must not be written to "take a stab" at any person. If so, they will not be published.

In order to create interest in the column, the GRAND OPERA HOUSE has donated two seats each night as a prize for the best item of the day. Your name and address must accompany the item, and it can run with only your initial attached if you desire. The contest is on. WHO WANTS TO GO TO THE GRAND?

"I Spied" column, will call at The Advertiser office today or Monday, she will be given two tickets for the Grand Theatre Monday.

A MOTHER, boarding a moving westbound train and leaving her three little children on the platform: a kindly conductor. who stopped the train to take on the children .- G. V. W.

A WELL-KNOWN business. man of the city, emerging triumphant from a King street store, with a wonderful Teddy Bear tucked under his right arm.-

IN SOUTH LONDON, a man wearing the uniform of Uncle Sam's army. A local veteran fraternally hailed him and jocularly asked

if he was over here recruiting for the impending war. With a puzzled expression, the would-be warrior inquired: 'What war?"-B. Y. C.

A VERY EXCITED young motorist, who upon spying a fair young maid about to cross the street at the corner of King and Talbot, preferred to warn her of his approach by shouting very "Hey, Lizzie, look out," instead of "honking" as usual, much to the amusement of many onlookers .- L. M.

A WOMAN sleeping in the courtroom of the county buildings late Friday night while awaiting the verdict of the jury trying Gordon Dibsdale for his life. Another woman was knitting. while a youth behind her munched an apple. The majority of the crowd present was impatient at the delay of the jurors in reaching a decision, unmindful and inconsiderate of the fact that they were debating on whether a man's life should be taken on the gallows.

TWO WOMEN, at the city fish market, buying fish, and down in laughter that rang through the building. After a time. Market Clerk

Maker came out of the building, and one of the women said: "I could hear you all over the building." He replied: "Well, I was just having a joke on the clerk in that stall. He was weighing out tea in two separate packages, putting it in, grain by grain. When it came to the last grain, he broke it in two, and put half in each package."-M. L.

A RUNAWAY HORSE in the vicinity of Tecumseh avenue. It bounded across the sidewalk into a vacant lot, upsetting rig and contents. The contents included a newspaper parcel, which came undone in the scrimmage, exposing to view a bottle of good old "Birk's Irish" whiskey.

The horse was temporarily forgotten as the owner hurriedly picked up the precious bottle, and, depositing it in a bag of straw, handed it to a companion, who soon had it under a roof, where it was safe from the far-reaching hand of the law.-G. B.

A PUSSY, with drowsy indolence, enjoying the genial warmth and golden light of the setting sun on a Ridout street lawn, when suddenly an auto approached from which an aristocrat Airedale sprang for the cat.

Did he get her? No, but a little yellow dog got him, bit him in a dozen places in as many seconds. so that he turned tail and beat it for the safety of the auto that was waiting half a block away. He gained it just in time to escape another mauling.

Fido trotted back to the lawn, to be received by pussy with expressions of gratitude, and Fido told her, by kicking up the grass and growling, that he could lick half a dozen such cruel creatures. Then both resumed drowsy indolence .- J. G.

Will Dedicate Beautiful Set of Dorsals On Sunday

N connection with the harvest thanksgiving services in St. James Anglican Church, South London, on Sunday, His Lordship, the Bishop of Huron, will dedicate at the morning service a beautiful set of dorsals in the four colors, white, purple, red and blue, with handsome com-

munion table covers of heavy silk brocade in the same shades These have been presented through the chancel guild, of which Miss Josephine Macfie is president, Miss Emery rendering valuable assistance. The Bishop of Huron preaches in the morning and Very Rev Dean Tucker at the evensong Special music will be a feature.

MILL PROPERTY MAY BECOME PARK

Anticipate Stratford Officials Will Negotiate For Land If Plant Ceases Operations.

Special to London Advertiser. STRATFORD, Sept. 29.-Beyond he definite information that the Dufton woolen mills will open a plant in Kingston soon, nothing today could be ascertained regarding the plans for the future of the company or their plant here with Mr Collie. Some time ago the city offi cials conferred with representatives of the company, with a view to obtaining the local property as an extension to the Stratford park system. At that time the price asked was found to be too high to warrant

purchase of the property. However, since a plant is to b opened in Kingston, it is possible that negotiations between the city and the company may be recom-

menced.
