THE GOBBLING GOULD. The Emigration Commission Special Meeting. Canada Quitted—Saturday Sitings. Prologue—Vigorous Demonstration from Gladstone.

LONDON, July 14.—The Times says the leaders of the Irish party in the house of commons oppose emigration absolutely and completely, and by indirect means are resisting the adoption of the emigration clause of the bill.

The scheme Mr. Gladstone may accept, he can surrender its principle. The clause is not important, and it is not of the alternative methods of relief for chronic poverty in the sterile and overcrowded districts of Ireland.

The amendment of Forster, omitting mention of Canada from the emigration clause of the bill, was adopted. The bill is that which will prevent the passage of the bill, and believe the rejection of the bill in the house of commons.

The Times asserts that the published statement in regard to the composition of the land bill committee are unfounded, as the arrangements hereof are at present inconclusively proceeding.

Will He Get the Montreal Telegraph Company? LEGAL DIFFICULTIES IN THE WAY.

Public Opinion Against the Surrender—Sir Hugh Allan Neutral—A Big Drop in the Stock—Threatened Injunction Against the Montreal Company.

The promoters who are trying to turn the Montreal telegraph company over to foreigners, and place the Canadian people at the mercy of Wall street speculators, are finding that they have a hard row to hoe.

The Montreal press is down on them; the people are down on them; and a phalanx of legal objections threatens them on every side.

They are getting frightened; the stock has fallen from 181 to 125 within a week; Sir Hugh Allan is reported neutral; and it is not unlikely that the meeting on Saturday will end in an adjournment if not in a fiasco.

The Montreal board of trade has taken the matter up, and is doing its best to prevent the sale of the company.

The Chatham Banner puts the case well in these words: "The people of Canada have long enjoyed admirable telegraphic communication by means of the lines across the lines, and they cannot now afford to surrender their rights in this respect."

The Commercial Agency small that is about the proposed surrender of the Montreal telegraph company.
