The Campbellton Bankers who played the Dalhousie hockey aggregation, last Saturday night, went down to defeat by the overwhelming score of 18-3.

The game at 8 o'clock started at a fast pace, with Campbellton prevailing. Dalhousie scored twice in succession and the visitors saw their Waterloo starting them in the face. Dalhousie forwards made many effective plays, their superior team work being quite conspicuous. To Leon Samson much credit is due. Times and again he would bring the puck down the ice and serve from what seemed to the spectators, impossible angles. Henry D. Innes showed wonderful bursts of speed and took a prominent part in the scoring. Alex. Wallace, the home team's reliable goaltender, figured in many sensational plays, and proved himself a stone wall in defending the net.

Mr. Fred G. Burr, referee, handled the whistle to the satisfaction of all. The game ended with cheers for Agnes Barabie and Margery Connach-Campbellton and Dalhousie, and at ten o'clock the visitors repaired to the Queen Hotel, where they must enjoy a turkey supper.

FREE OF ALL THREE DISEASES

"Fruit-a-lives" Brought Him Perfect Health

AVON, Ont., May 14th, 1913. "I am younger since I have been taking 'Fruit-a-lives'. I was troubled very badly with Piles, Constipation and Stomach Disorder, but I found 'Fruit-a-lives' was the panacea for the whole trouble. Now I am free of all those diseases and enjoying perfect health, and able to work whenever I like. Five years ago, I started taking 'Fruit-a-lives'. I took two every night and they worked wonders for me. No other medicine I could get was so good and I took lots of different remedies before I found out how good 'Fruit-a-lives' were. I keep 'Fruit-a-lives' on hand all the time, and am never without them. I even take them with me when I go motorizing, so I can have them handy. 'Fruit-a-lives' are worthy of every word that is said for them. They are the best thing to be conscientiously thankful for."
