NEW CARLISLE

The induction of the Rev. James Heron into the pastoral charge of the Presbyterian congregation took place in the church here, Tuesday the 26th, at 7.50 p. m., the church being well filled. Rev. Mr. Jobb preached the sermon, taking for his text 2nd Acts, 4th verse. His sermon was inspiring and helpful. The Rev. J. R. Miller inducted the minister in his usual earnest and helpful manner. Rev. J. M. Sutherland, for a number of years pastor of the congregation in the past, was chosen to address the minister. Mr. Sutherland's address was very appropriate, speaking of his own experiences in the field and giving the minister good encouragement and cheer.

Rev. Hugh Miller of Campbellton addressed the congregation with great ability and earnestness, pointing out to the people their duty and also reminding them that they had reason to be proud of their choice. Speaking of the rev. gentleman, being an Irishman, he said, he was convinced to believe the Irish came next to the Canadians. Mr. Miller also urged the people to attend God's house and not allow trifling things to come in the way, such as bad weather, bad roads or bad colds. After singing "The Churches one Foundation," Rev. Mr. Heron, the newly inducted pastor pronounced the benediction.

The majority of the people remained a short time and were introduced by the Elders to their new minister. All that had the privilege of being present expressed their appreciation, while those that did not attend do not realize what they lost.

NEW MILLS

Mrs. Guy Lutes and little son Kenneth went to Charlott last week during Mr. Lutes' stay there as agent in Mr. McMillan's absence at Charlott Station. The many friends of Mr. and Mrs. Arthur McNair now of Bathurst, (but formerly of New Mills), are sorry to hear of the death of their infant daughter at Bathurst hospital. Much sympathy is extended to them.

Mrs. Pettigrew of Heron Island has returned to her home from Bathurst, where she was visiting her daughter, Mrs. Arthur McNair and her son, Mr. Thomas Pettigrew and family.

Mr. Thomas M. Pettigrew of Bathurst has taken a farm at Jacquet River and is going to move there with his family in a short time.

All the fishermen around New Mills and Heron Island have their nets out for small fishing, but so far the smelt are few and far between. It's to be hoped next tides will bring more.

Mr. and Mrs. Robert McMillan of Heron Island had a most enjoyable visit to Archibald Settlement last week. They were visiting at the home of the former Mrs. D. McMillan.

Miss Stella Hamilton of Black Lands has been visiting at the homes of Mrs. Neil and Mrs. John Robertson, of Heron Island.

NEW RICHMOND

The presence in New Richmond of Prof. McLeod of New York has given much pleasure to the inhabitants. His concert held in Campbell's Hall was well received by an attentive and appreciative audience. Various and amusing selections of song and prose were admirably rendered.

On the Sabbath he gave Sacred selections at the morning service in St. Andrew's Church and at Black Cape in the evening.

A second concert was given on Monday night at the Model School. Prof. McLeod, who has been a professor in Columbia University has visited several of our schools and we hope that he will come back again.

The Masquerade held at the New Richmond Skating Rink last Saturday night was a grand success and despite the bad condition of the roads and the inclement weather, there turned out since the skating rink first opened in New Richmond.

A large number of the young folks of New Richmond and Black Cape were present in costumes and the judges, Mr. Albert Montgomery of New Richmond and Mr. Phil. Cormier of Black Cape ably fulfilled their duties in the awarding of the prizes.

Miss Rita Henderson, representing "England" winning first prize, a lovely manicure set, and Miss Marjorie Lynd representing "Queen of Hearts", winning second prize, a pair of ladies' gloves, while Mr. Scott Robertson, representing the "Canadian Volunteer", winning first for the girls, and Mr. Grant MacWhirter representing "Lord Chatham", winning second.

Among the other costumes worthy of mention were those of Miss Alta Lynd representing the Egyptian Woman and Miss Eunice Pritchard of Black Cape and Miss Bertha Starrack representing "The Cavalier"; Miss Greta Starrack representing "Grandma"; Miss Eileen Campbell representing "Patriot Girl" and Miss Kathleen Campbell representing "Autumn".

Among the girls there were Mr. Allen Brown representing "The Raggy Man"; Master Harold Glicker representing the Wizard and Master Patsy Montgomery representing "The Witch"; Master Jimmie Henderson representing "The Sailor Boy"; Master Keith Campbell representing "The Hockey Boy" and Master Arthur Robertson representing "The Darkey".

The ice was in an excellent condition, but became badly cut up towards the close, owing to the large crowd of skaters after the Masquerade. But in spite of this fact ten o'clock still found the crowd enjoying themselves it being nearly eleven before the rink closed.

The manager, Mr. Moore expressed himself as well satisfied at the close of the evening, and announced his intentions of organizing a fancy Skating Competition and Handicap Races, to take place sometime during the month of February.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. By constant use of local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

NEWPORT

About twenty five Chandler sports and hockey enthusiasts drove up Saturday evening to enjoy a good skate and on the ice was in good condition, they were not disappointed.

Miss Blanche Bouillon, Pasphebie, is the guest of Miss Drucie LeMarquand. The travellers in town this week were Messrs. Clapp, Staton, Clark, Armstrong, Callander, Barnes, Trotter, Bertie, Chouinard, Gadois and Robinson.

Miss Ida LeMarquand spent some time in Percé last week visiting friends. Mr. and Mrs. F. C. Chapados of Gascons were in town over Sunday. Mr. W. Newberry of the Robin, Jones and Whitman staff, has returned from Montreal.

NEW RICHMOND

The Annual congregational meeting of St. Andrew's Presbyterian Church was held on Tuesday afternoon, January the 11th at 2 o'clock. Owing to the severe cold day, there was a small number present.

Mr. Angus N. Campbell presented receipts from all sources amounting to nearly \$2,000 during 1915.

The report of the Session was read by the pastor, Rev. E. J. Rattee.

Reports were read from the Women's Missionary Society, the W. G. T. U. and the Mission Bands. All the organizations of the church were found to be in a very prosperous condition. The death of Miss Mary A. Taylor, occurred at the home of Gordon Taylor at Chaleurs on Monday, January 18th. The deceased lady was 82 years of age. The funeral took place on Wednesday afternoon the 12th and service was conducted by Rev. E. J. Rattee, assisted by Mr. Alexander Stewart of Sidney Mines. Interment took place in St. Andrew's Cemetery at New Richmond.

The many friends of Mr. Henry Brown are sorry to learn that he has been confined to the house for the past few months suffering with rheumatism. Mr. McLeod of Prince Edward Island held an entertainment in Campbell's Hall on Thursday evening and on Monday evening gave another in the Model school. At the service on Sunday morning he rendered some very beautiful singing.

A grand carnival was held on Saturday night, which was largely attended. As it was stated in New Richmond notes of last week that Rev. E. J. Rattee had gone up to the lumber camps of Montgomery & Son's, we correct this mistake as the rev. gentleman was unable to go.

We regret to state that Miss Martha McColm, only daughter of Mr. and Mrs. Andrew McColm is very ill and no hopes are held out for her recovery.

HOPETOWN

It is with mixed feelings of pride and chagrin that we are parting with many of our best young men, to join their fellow countrymen, over the wide Atlantic in helping to crush their foe, "the Kaiser", who is turning the peaceable countries all over the earth up side down and dragging some of them in the mire with himself.

Our boys from Hopetown will give a good account of themselves, without doubt; from them having descended from a veteran soldier, who helped Wolfe take Quebec. This man was born in the highlands of Scotland about the year 1741, as he was only 18 years of age, when the battle of the plains of Abraham was fought. It thrills one with pride when we read in history how the light footed Highlanders chased the fleeing Frenchmen to the very gates of Quebec. But this great grandson named, Duncan McRae, was wounded in the chase and taken over the river to the Levis side, where a French Canadian habitant farmer, volunteered to take young Duncan McRae, and do his best to nurse him back to health, which he did very well, though very slowly, taking from the 13th of September until the next spring to accomplish the task.

It was a pleasing sight for him next spring, when he espied sailing down the river coming to him, a vessel, but it was not from parents, and friends, but it came down to Hopetown, that his habitant benefactor was, so pleased, he had learned to admire the stalwart young Scot who was six feet six inches in height. Yet country ties are dear and he returned to his own country that autumn, returning to Canada however the following spring with his after life companion and helpmate. He went to Gaspé Basin to settle, but finding none of his country folks there, he sailed in a fishing boat up the shores of our beautiful bay Chaleur until he came to Hopetown, where he found Scotch people living; descendants of whom are living here yet, principally Ross.

Now most of our Hopetown recruits are descendants of this man, one family having four sons, two in France and two in New Carlisle training. The names of our Hopetown volunteers are:

Robert McRae in Flanders.
Farquhar McRae in Flanders.
Wm. McRae and Zion McRae are the four brothers.
Wm. Major in St. John.
Harry Major in New Carlisle.
Colin McRae in New Carlisle.
Rufus McRae, brothers in New Carlisle.

Wesley McRae in New Carlisle.
James Ross in New Carlisle and
Eldred McWhirter in New Carlisle.

And I think by what we hear that we will be able to boast of a good many more in a short while. Every one will miss them in a small place like this, but we can only ask God's blessing on them and that they may do good service for their King and country and yet return to us again.

BLACK CAPE

Rev. E. J. Rattee conducted service in the Presbyterian Church here on Sunday evening at 7 o'clock. Mr. McLeod of Prince Edward Island was present who rendered some very beautiful singing. A large congregation was present notwithstanding the bad condition of the roads.

Mr. Hugh Johnston, our popular station agent is in Matapedia relieving Mr. Frank Scott, agent at that point for the Quebec Oriental Railway.

Health for Sick Women

For Forty Years Lydia E. Pinkham's
Vegetable Compound Has Been
Woman's Most Reliable Medicine
—Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

North Cranston, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep above and do my work. I went to a doctor and he told me I had a displacement and ulcer, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound, I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedy."—Mrs. Mary Annson, North Cranston, Wis.

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good; it has cured me and I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCasland, 606 Hays St., Lawton, Okla.

From a Grateful Massachusetts Woman.

Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down, pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. Ososon, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (Confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Good for the Whole Family

"Cough" Chamberlain "A good cough remedy is one that can be depended upon to cure coughs. Not one that cures some particular cough, but coughs in general. It must be a cough remedy that can be relied upon for all the common coughs that are so prevalent. While the causes of all coughs are primarily the same, yet the condition of the patient is what makes the difference in the nature of the cough itself. Coughs of healthy persons are easier to cure than the coughs of invalids. The powerful convulsive cough of a large man is harder to cure than the cough of a baby. If you get a remedy that will cure a large man's cough and yet not be too powerful for the baby, you have a good cough remedy."

Chamberlain's Cough Remedy

is just this kind of remedy. It is good for any member of the family. It relieves coughs of all kinds. It is the product of much thought and study to produce an ideal cough remedy. It is composed of things which cure easily and soothingly without harming the most delicate tissues of the throat. It acts as easily and safely on the young as on the old, and is the ideal remedy for coughs, colds, croup, influenza, whooping cough and bronchitis.

Yours for Health.—J. J. Chamberlain
