Minister Speaks to Mothers

**Tells His Wife's Experience for the
Sake of Other Sufferers.**

The following letter has been sent
to Dr. T. A. Slocum, Ltd., for pub-
lication.
Dr. T. A. Slocum, Limited.—Dear Sir: Within
the last two years my wife (who is of a delicate
constitution) has had two severe attacks of la-
grippe, both of which have been speedily corrected
by the use of Psychine. We have such faith in the
efficiency of your remedies that as a family we
use no other. For toning up a debilitated system,
however run down, restoring to healthy action
the heart and lungs, and as a specific for all wast-
ing diseases, your Psychine and Oxomulion are
simply peerless. Yours sincerely, Rev. J. J. Rice,
51 Walker Avenue, Toronto.

PSYCHINE, Pronounced Si-keen,
is a scientific preparation, having
wonderful tonic properties acting
directly upon the Stomach, Blood

adapted for people who are run
down from any cause, especially
Coughs, Colds, Catarrh, LaGrippe,
Pneumonia, Consumption and all
stomach or organic troubles. It
has no substitute.

This Young Child Died From Old Age.

Chicago, Jan. 10.—A despatch from
Minneapolis says:
"James Anderson, who died here yester-
day, aged 11 years and 2 months, was, in
the opinion of physicians, at least 60 years
old, so far as the condition of his vital
organs determine the age of a man. When
six years old his hair began to turn grey,
his eyesight beginning to fail, and he walk-
ed with the deliberate care of a person who
is advanced in years. At a young child he
was exceptionally bright, but his mental
faculties were gradually failing for the last
two years, so he was little better than a
person in his dotage during the last few
months."

Losing Muscular Power?

**The First Sign of Mental Decay
The Warning of General
Break-Down.**

Changes in the nervous system manifest
themselves slowly.
They show first by muscular weakness—
a feeling that threatens paralysis, or by a
fullness in the head that indicates approach-
ing apoplexy.

It seems like stiffness but you soon dis-
cover there's a lack of power—that the en-
durance of this or that muscle is not what it
ought to be.

Your friends may notice a slight thickening
of speech or that your memory is decidedly
failing.

These symptoms may grow worse very
quickly if they are not treated by Ferro-
zone. You must build up the nervous
system. This can be accomplished in no
other way as thoroughly and permanently
as by the use of Ferrozone.

This remarkable remedy, which has cured
tens of thousands of Canadian people, in-
creases enormously the digestive power,
stimulates the formation of blood, the rob-
ber kind that puts new life into the nerves.
The first result of these changes is in-
creased strength.

Natural circulation quickly follows, and
that fullness in the head, so disturbing and
alarming, too, quickly passes away.

For the aged and weak who need strength
—for those run-down and thin,—for the
sickly and nervous who lack staying power
—nothing compares with Ferrozone.

No tonic gives such lasting good health;
try it yourself. Sold by all dealers in 50c
boxes.

Turkey Poisoned Them.

Kingsville, Ont., Jan. 10.—County
Crown Attorney Rodd and Provincial De-
tective Mahoney are investigating a case of
wholesale poisoning of the members of a
Christmas party at the home of a promi-
nent resident of this town. It is supposed
that the poison was in the turkey. For-
tunately there were no fatalities.

Fits Your Case Exactly.

You know how you feel,—blue, sickly and
heavy. Each morning you waken in a dull
"dopy" condition and wish it were
night again. Your liver is wrong and
needs fixing with Dr. Hamilton's Pills; they
do cure all liver ills. At once the system is
relieved of poisons, blood is enriched and
purified, appetite increases and digestion
picks up. Health and vigor return because
Dr. Hamilton's Pills make the body proof
against weakness and disease. For your
liver, your kidneys, your stomach, for the
sake of your looks and feelings, try Dr.
Hamilton's Pills, 25c per box at any dealers.

HELP FOR FARMERS.

There Are Men to Be Had Now at
Immigration Bureau.

If the farmers of Ontario want help, now
is the time for them to send in applications
to the Ontario Bureau of Immigration.
Since last fall the number of applications on
hand have gradually diminished, and this
morning there were but 25 left, only one of
which was for an experienced man.

The Immigration Bureau have the 1907
applications ready to be filled out by those
desirous of help.

That all the farmers have not the help
they require was evinced the other day,
when the Union Station office was overrun
with those living in the vicinity of Toronto.
They had read in a Toronto paper that 650
immigrants had arrived in town, and were
on hand next day to take their choice.

When they found they had been hoax-
ed—as only about 25 came in—they were in
anything but a genial mood.

Wednesday morning 30 English and Irish
immigrants arrived over the Grand Trunk
from Portland. Most of them have taken
up the last few applications for farm help
left with the immigration office.—To-
ronto Star.

Health Depends on Good Blood.

Everyone who uses Ferrozone has good
color and great vitality. Reason for this is
Ferrozone's power to create nourishing
blood. "I was broken down, had no strength
and couldn't eat," writes Mrs. Chas. Ben-
ny of Cloncy, Ont. "My nerves were
irritable, I was thin blooded and continual-
ly unhappy. I tried Ferrozone. It gave
me new energy, force, vim. It brought me
strength—made me well." Greatest tonic
and re-builder ever known is Ferrozone.
Sold everywhere in 50c boxes.

Editor Draws A Moral.

A Spring Prairie farmer lost a fine pig
last week in a peculiar manner. One of his
boys had gone to a lot where the hogs run,
carrying a half gallon molasses bucket in
his hand. This he put down on the ground
to do something else, when the pig came
along, poked its snout into the bucket, push-
ing his head in so far that the bucket be-
came tight and fitted so close all around
that the pig was smothered to death.

While the loss to Bill is about \$15, it also
teaches the moral to keep your nose out of
other people's business.—East Troy News.

THE MOST POPULAR PILL.

The pill is the most popular of all forms of medicine and of
pills the most popular are Farnette's Vege-
table Pills, because they do what is asserted
they can do, and are not put forward on any
fictitious claims to excellence. They are
compact and portable, they are easily taken,
they do not nauseate nor gripe, and they
give relief in the most stubborn cases. m

Infants too young to take medicine may be
cured of croup, whooping cough and colds by
using Vapo-Cresolene—they breathe it.

A TOTAL of 925 divorces have been grant-
ed thus far this season in Detroit and there
were 4,932 couples wedded in the same
period. This means one divorce granted to
a little more than five weddings.

Your Doctor

Can cure your Cough or Cold,
no question about that, but—
why go to all the trouble and
inconvenience of looking him up,
and then of having his prescription
filled, when you can step into any
drug store in Canada and obtain
a bottle of SHILOH'S CURE
for a quarter.

Why pay two to five dollars
when a twenty-five cent
bottle of SHILOH will cure you
as quickly?

Why not do as hundreds of
thousands of Canadians have
done for the past thirty-four
years: let SHILOH be your doc-
tor whenever a Cough or Cold
appears.

SHILOH will cure you, and all
druggists back up this statement
with a positive guarantee.
The next time you have a
