## PAGE FENCE DIRECT

(FREIGHT PAID)

we sold it like ordinary fence, through agents and "middlemen."

Would a \$3500 Salesman's salary add one cent to the WORTH of your fence? NO—but it WOULD add several cents a rod to the price.

Would a \$2500 Blockman's salary add one day to the LIFE of your fence? NO—but it WOULD add 20% to its selling-price.

When you buy from PAGE, you deal direct with the factory. You pay only one small profit between you and us. And you get the BEST FENCE at the LOWEST COST.

PAGE FENCE WEARS BEST, because it's honestly made throughout. All No. 9 wire—No. 9 locks—tall laterals—correctly spaced uprights—greatest galvanizing—and the heaviest weight per roll of any fence.

**ASSISTING THE BELGIAN PHYSICIANS**

Lambton Medical Association Lends a Hand

At the recent meeting of the Lambton Medical Association, Dr. H. A. Bruce, of Toronto, called attention to a phase of Belgium's unfortunate experiences, not generally thought of by the public. During the invasion of that unfortunate country by the German hordes, the physicians of Belgium were stripped of all their instruments, dressings and general equipment and rendered almost helpless to render medical aid, or to earn a livelihood for themselves. The British Medical Association, headed by Sir Rickman Godlee, past president of the College of Surgeons, London, England, has been attempting to restore the chaos wrought amongst the Belgian medical men by supplying new equipment necessary to their calling.

Lambton medical men, of whom Dr. Calder, of Petrolia, is president, is also taking a hand in the good work along with other Canadian organizations and has already forwarded to the Central Committee at Toronto a valuable contribution both by the way of equipment and also of money. Contributions from the doctors of this district have ranged in value from \$50 down.

The bridal party entered the parlor to the strains of Mendelssohn's wedding march, played by Miss Sarah Ansley, sister of the groom. The bride looked charming in blue and gold shot silk with shallow lace and rosebud trimmings and her bouquet was of pink and white carnations. The ceremony
