THIS CHRISTMAS TRY MOIR'S COOKING

Moir's fruit cakes and plum pudding have been made from a rare old recipe under Mr. James Swan for 30 years. Last year he made over 3 tons of plum pudding, yet every late order had to be turned away. And that's just a hint of how good they are!

You can still get Moir's Plum pudding or fruit cake in 2 to 8 lb. sizes if you order now through your grocer or write or wire us direct. State size, whether you want your fruit cake plain, frosted, almond pasted and frosted, almond pasted, or frosted and decorated.

Just think, Moir's fruit cakes have been melting for months and they will be iced the day before delivery so they arrive in perfect condition.

Christmas Eve Special

HALLMARK presents a special mixed programme with HARRY MYERS in "ON THE HIGH CARD" and HANK MANN in "BROKEN BUBBLES" and One Reel Travel.

SATURDAY December 25th

Albert Capellani Productions, inc. presents charming June Caprice as little Southern Mary in "IN WALKED MARY." You are sure to like the little lass from the Land of Cinnamon Seed and Sandy Bottom.

TUESDAY, December 28th

Chas. Miller presents the Hallmark production, "THE HEART OF A GYPSY," with Florence Billings as Rosalind Dane.

Rosalind Dane instinctively loved gypsies—she could not account for the strange fascination the wandering tribes of Romany had for her, and when it came to making a decision whether to abandon the conventional life in which she moved, for the wild romantic life of the gypsies, we find her implicated in a baffling murder mystery. You will find here probably the greatest situation ever attempted in a photo-drama. Be sure and see "The Heart of a Gypsy."
