

### Auld Scotia's Roaring Game.

( Respectfully dedicated to the President and Members of the Thistle  
Curling Club, Hamilton, Ont.)

Now, Hamilton, haud up your heid ;  
Your bairns may crousley craw ;  
At playing o' the channel stane,  
Your callants ding them a'.  
The Thistle Club o' Hamilton  
Hae won a glorious name ;  
Whaure'er they be, they bear the gree,  
At Scotia's " roaring game."

Auld Scotia's roaring game,  
Auld Scotia's roaring game ;  
" The channel stane on icy plain "  
Is Scotia's roaring game.

Their " skips " are clever chiels, I trow,  
And brawly do they ken  
The way to lay a " pat-lid " doon  
Or lift it aff again.  
Wi' anxious e'e they scan the " tee,"  
Like Generals o' fame,  
When, broom in han', they take their stan'  
At Scotia's " roaring game."

Kind-hearted fellows are they a',  
And fu' o' fun and glee ;
