

The Ontario Railway and Municipal Board has approved of an application from Newmarket validating a by-law which provides for the extension of the municipal electric light plant. A deputation consisting of T. H. Lennox, M.P.P., Mayor Smith, Chairman Moore, of the Electric Light Committee, and J. C. Hughes, town clerk, supported the application before the board.

The Geometric Collapsing Taps

Save all Time of Backing Out

After a hole is tapped the desired depth, the Chasers automatically recede, allowing the tap to be withdrawn

at once. No time is wasted backing out, and neither the tap nor thread is liable to injury. Considering this, will you keep on using the old Solid Taps.

Try them in Your Shop.
