Gentlemen:-

We would request that you send the Prince  
Albert Plans and Specifications back to our  
office by express, collect.

We want to thank you, on behalf of the City  
of Prince Albert and own office, for the attention  
that you have paid to this matter. It is certainly  
a great convenience to Engineers and Municipalities  
and apparently it is very effective in getting  
results.

Yours very truly,

C. H. and P. H. MITCHELL
