A NEW FAMILY MEDICINE,

VALUABLE SPRING & FALL PURIFIER.

DR. BUCHAN'S

APERIENT AND DIOFETTI B

TONIC BITTERS.

This medicine is recommended by the first Physicians of Funch and America as the most appropriate and trius facts only and America as the most appropriate and trius facts only a first axis, yet successful general family. Medicine exerting and discorrects disorders of the degestive and page organs, removes obtain the extremities, strengthens weak nerves, renders the mind cheering and the ordy a fact, in a first a single organs, removed the mind cheering and the ordy a face, in a first a single organs and e-tousides beauthy regularly, thought at the wholes six is, more speedily than any other medicine ever wholes six is, more speedily than any other medicine every offered to the public. It passesses act the properties of Satisfardill, including SMLSAPARINE, which valuable medicined peopers was entirely lost till now, by the unorlending properson. The absence of Satisfardilla, clearly accounts for the entire want of public confidence in the virtues of Satisfardilla, clearly accounts for the entire want of public confidence in the virtues of Satisfardilla, clearly accounts for the entire want of public confidence in the virtues of Satisfardilla, clearly accounts for the entire want of public confidence in the virtues of Satisfardilla, clearly accounts for the entire want of public confidence in the virtues of Satisfardilla, and the substance of Satisfardilla, clearly accounts to the order of satisfardilla, and the substance of Satisfardilla, in addition, the purifyling and other Hygienic virtues of virious volumble productions of the orgential material the orgential acts and microus.

of virious valuable productions of the vegetable kingston, in the purest and most concentrated form. It is an after a live of great value.

It is no great value.

The preparation acts most kindly on the liver and mucous the interest value of the production acts most kindly on the liver and mucous the introduction of the suitable to every kind of constitutions are used as food, and is suitable to every kind of constitution and the verge of the anis-soften with defection mothing san surposes it in constitution with between those morthodal tumours about the verge of the anis-soften ever pures-sound especially so in that which accompanies an safetives of perverted mensituation—so much so, that it will be found a valuable emeraging where constitution is present. In constitution connected with long continued detangement of the bin system, to take food, it for freat value in preventing related to the bin system, to take food, it for freat value in preventing related, by regulating the functions of the bowels and promoting digestion. For the studious and after of sedentary habit and employment, it is the very best related, in the world for obviating constitution so prosidesome and health destroying by the use of it, the bowels of the sedentary will seldon or never become constituted. In several parts of Fix nore virious classes of swifety, as well as the sedentary, who are generally more or less of a costitution to the Bulletts will be found valuable in many chronic diseases, especially those arising from impurities of the blood and continens—that bane of health and source of manifold diseases—

of appetite—Low
bers of appetite—Low
sines» Hearthorn—Pixtulency—Pixtu in the stomach—
Pixtu in the side—Pixtu in the simil

of the brek—Pixtu in and between the

shoulders—Ventry in the stomach—Bitmus

attarks—Nerrous, Periodical and sick acadache—in chronic hepatic affections with dyspepsia
it is a most visuable remedy—also in Spassin—Rhoumixtus—I operation of futness after exung—
Marasmus, or wasting of flesh in childhood or early
youth—I prache Maligna, or Malignant ulcerated
sore throat—Hyskerts, in various forms—Tetanous in various forms—Chorea Sancti
Vito, or St. Vitos's dance—thiomsis,
or Green Sickness—Amenorrhers—
Dysmenorrhers—All glandular
entragements, and Various other diseases
incident to
females

It produces a powerful and lasting impression upon the
glandular system and secretary organs, unequalited by any
other stude. The great and controlling power which this
medicine even less on the secretary and extretory organs,
enders it a medicine of pesuliar properties as a curative
agent, of various complaints and diseases, not mentioned
above

As a Paxilly Medicine, it is safe and Efricacious

Agent, of various complaints and diseases, not measured above.

As a Pamily Medicine, it is safe and Efficaciots It is Warranten to be Superior to any other even offeren to the Public Indeed, the litters is a regulator of all the secretions, as far as a general remedy can be so. Several families of the highest respectability in form to and neighborhood, have used the incidence and speak of it with unqualified approbation
