## HEAVY LOAD.

What a heavy load for such a little one to carry! I wonder if the little fellow can budge it at all. One might almost ask what is the basket doing with the boy. Let us hope that some big person will come along to help.

In a car a small boy was observed to be suddenly agitated, but regained his self-control after a few moments. Soon after the conductor appeared and asked for fares. When he stood before the small boy, there was a slight pause, and the passengers were surprised to hear the following: "Please charge it to my papa. I've swallowed the money."
