STOP that cough or it will terminate in consumption. After suffering for months from a cough which, after using many remedies without any relief, threatened to terminate seriously, we were entirely cured by the use of WISTAR'S BALSAM OF WILD CHERRY. J. A BRIDE'S CONFESSION
"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on 64th St. Well, yes, we did get married somewhat suddenly. My health, you know, had for some time been very poor, and Dr. Heavy-foot told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker' say to her mother, 'I think that George Blauvelt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a galloping consumption, I'm going to step in to her shoes and become Mrs. George Blauvelt; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and the thought that that deceitful hussy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I went to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good-by; be sure not to forget."
THE DEY OF ALGIERS!
THE SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FATTEN and BEAUTIFY their harems exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.
"The Shah found his harm in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1889. Reason—Their supply of CAMPBELL'S WAFERS was exhausted.
ILLUSTRATIVE of the desirability of a certain amount of Plumpness, rumour has it that the above distinguished Oriental Potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

Coughs, Colds, Croup.
Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs, ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

For Liver Disorders
And for all affections of the Stomach and Bowels, prompt relief and cure are afforded by the use of Ayer's Cathartic Pills. They easily correct slight derangements of these organs, and are of incalculable benefit in chronic cases.
I have been using Ayer's Pills, in my family, for over three years, and find in them an effective remedy for Constipation and Indigestion. We are never without these Pills in the house.—Moses Grenier, 72 Hall st., Lowell, Mass.
For years I have been subject to Constipation and Nervous Headaches, caused by Indigestion and derangement of the Liver. After taking various kinds of medicine, I have become convinced that Ayer's Pills are the best. They have never failed to relieve my bilious attacks in a short time, and I am sure my system retains its tone longer, after the use of these Pills, than has been the case with any other medicine I have tried.—H. S. Sledge, Weimar, Texas.

Ayer's Cathartic Pills are the safest and best medicine I ever used for Bowel Complaint. I have never known them fail to cure this disorder. They have been peculiarly effective, in my family, in all cases of Liver
And Stomach Troubles.
Ayer's Pills are prompt and mild in their action; they gently stimulate the liver, and always leave the bowels in a natural condition.—Philip Caldwell, Beverly, Mass.
After sixteen hours of intense suffering with Billous Colic, I took Ayer's Cathartic Pills. In half an hour the pain in my stomach and bowels subsided, and I quickly recovered.—R. S. Heathfield, 63 Chestnut st., Providence, R. I.
For nearly five years I was a confirmed dyspeptic. During the last three months of this time, my life was a burden to me. I had no appetite, became pale and emaciated, and was unable to work. I tried various remedies, but found no relief until I began taking Ayer's Pills. A few boxes of this medicine greatly improved my appetite, restored my liver and stomach to a healthy condition, and my food now digests perfectly.—Ernest Lewis, 43 Main st., Lewiston, N. Y.
Ayer's Pills have cured a case of Chronic Dyspepsia, here, which resisted other remedies, and had become a very serious affliction. The cure is remarkable, and has created a sensation in this locality.—S. K. Jones, M. D., Brighton, Mich.
For a number of years I was greatly troubled with Dyspepsia. I became weak, nervous, had no appetite, and there were but few kinds of food my stomach would bear. After taking a number of remedies, without obtaining relief, I began to use Ayer's Cathartic Pills, and, at the same time, commenced dieting. This treatment effected a complete cure.—Jeremiah W. Styles, Fort Madison, Iowa.
